

2023 GRADES 3–7 CAMP DESCRIPTIONS

WEEK 1: JUNE 12–16

Action & Adventure

Conquer the climbing wall and traverse the high ropes course in the Forsyth Adventure Center! Build your confidence in the rafters of the Rand Center.

Celebrate Spanish

Explore Spanish games, foods, traditions, crafts, and more!

DIY Masters

Learn a new craft! Use your creativity and your hands—along with provided tools and materials—to make art pieces (and memories!) to take home.

Rocketry

Design and build your own model rocket! Learn the mechanics of rocketry along the way. Launch your rocket into the sky to see how far it will fly!

WEEK 2: JUNE 20–23 (NO CAMP ON JUNE 19)

Larger-than-Life Board Games

Bring your favorite board games to life! Enjoy giant versions of Jenga, Life, Connect Four, and more. Use strategy and teamwork to conquer them all!

Materials Mayhem

Use your imagination and creativity to create wonders using myriad media. Craft and design objects using wood, clay, stone, yarn, and more—the options are endless!

Xtreme Biking

Explore the city on your bike! Pedal to an exciting local destination or attraction each day. Must be able to bike more than five miles, 9:30am–2:00pm each day.

2023 GRADES 3–7 CAMP DESCRIPTIONS

WEEK 3: JUNE 26–30

3D Printing

Become a digital creator! Design, model, and 3D-print digital objects into real-world products. *Equipment and technology provided.*

Ancient Engineers

Travel back in time and explore the engineering marvels of past civilizations. Design and recreate pyramids, aqueducts, bridges, and more!

Players' Choice

Take over the coaches' closet! Decide as a team how to spend each day. Which sports and activities will you play?

Worlds of Wizards

Delve into the fantastical worlds of everyone's favorite wizards. Brings the books and movies to life with magical games, fanciful crafts, and mythical creatures!

WEEK 4: JULY 3–7 (NO CAMP ON JULY 4)

Food Frenzy

Try new recipes, take on food challenges, and get creative with food crafts! Who knew food could be this fun?!

Road Trip Roundup

Get your kicks on Route 66 with a fantasy road trip! Explore roadside tourist attractions, munch on classic road trip snacks, and craft your own souvenirs as you cross the desert, great plains, and national parks of the west.

Soccer

Hone your soccer skills with daily scrimmages and drills! Practice the fundamentals and learn more about game rules and strategy.

Xtreme Biking

Explore the city on your bike! Pedal to an exciting local destination or attraction each day. Must be able to bike more than five miles, 9:30am–2:00pm each day.

2023 GRADES 3–7 CAMP DESCRIPTIONS

WEEK 5: JULY 10–14

Advanced Rocketry

Launch into more rocketry! Expand on your knowledge and skills to design with more detail and blast higher than before. Must have attended Week 1 Rocketry camp.

Archery

Aim for the bullseye! Learn the art and rules of archery, or advance your skills. Practice the discipline and concentration needed to excel in this niche sport.

Code Breakers

Sharpen your sleuthing skills! Tackle scavenger hunts, brain teasers, secret codes, riddles, and puzzles all week long.

Global Games

Embark on an international adventure! Learn about and play a range of games enjoyed by kids around the world, including board games, card games, dice, and table games.

WEEK 6: JULY 17–21

Board Games & Books

Team up with friends to play classic board games—or learn a new one! Take a break to tackle your summer reading list, or try your hand at creative writing.

Nothing but Net Games

Enjoy classic net sports and more obscure net games! Learn the fundamentals and proper techniques. Includes stretching, conditioning, and skill-building exercises.

Scratch Coding

Learn how to create your own interactive stories, games, and animations using Scratch, the largest free coding community for kids.
Equipment and technology provided.

2023 GRADES 3–7 CAMP DESCRIPTIONS

WEEK 7: JULY 24–28

Crafting Kaleidoscope

Take a spin on the color wheel! Let the rainbow be your guide for tie-dye projects and other colorful crafts.

International Sports

Trot the globe to explore popular sports around the world. Sample new-to-you individual and team sports that are staples outside the states.

Inventors' Challenge

Enjoy friendly competition and engage your engineering mind with daily challenges to ideate, invent, design, and build!

Park Prowlers

Enjoy a week of exploration in Forest Park! Visit the local attractions, picnic by the ponds, and learn about the creatures that call the park home.

WEEK 8: JULY 31–AUGUST 4

3D Printing

Become a digital creator! Design, model, and 3D-print digital objects into real-world products. Equipment and technology provided.

Action & Adventure

Conquer the climbing wall and traverse the high ropes course in the Forsyth Adventure Center! Build your confidence in the rafters of the Rand Center.

Drama-Rama

Create and bring your story to life on stage! Produce an original show with sets, costumes, props, and more!

Roving Photographers

Sharpen your eye for photography! Capture the natural environment and architecture found at Forsyth School and Washington University, in Forest Park, and around the neighborhood we all share. Must bring your own camera and all accessories.
