- Transit vans vs. buses: 3-4 classes go at one time, background checks needed for drivers. Checked at local churches Grace Place/Covenant and their busses but it is an insurance issue to use their buses.
- Funds used for picnic tables: Donor is willing to donate and pay for two - four tables. But umbrellas and shade will be needed.
- High School Dance/Homecoming and Spring Formal will go through House System with Mr. Foat and Mr. Price.
- Is advertising allowed with our school logo as Optima owns it: - TBD
- Volunteering is through Danielle. Volunteer opportunities throughout each Committee as well as in the Workroom and Lunchroom. Anyone coming into the school needs a background check.
- Logistics/appreciation? When will be incorporate students?
  - Art show to incentivize students?
