“The Roosevelt Way”

Be Respectful, Be Responsible, Be Safe

Harmony Theme - Communication

Communication includes both verbal and nonverbal responses. Students discussed how people can communicate and send messages using their body language.

In these harmony lessons, students were able to participate in role playing scenarios where they were challenged to communicate in different settings with different individuals. Students had to adapt to these various situations and communicate accordingly, then reflect on their conversations later. They were able to decide what appropriate conversation do's and don'ts were in each scenario, as well as how to be a good listener in a conversation.

PBIS Celebration

On January 6th, all classes joined their buddy class for a cookie decorating celebration. Students were also able to turn in their earned beep bucks for raffle tickets for prize drawings during this event. It was an awesome way to celebrate as an entire school!

Student of the Month

Congratulations to the following students for earning student of the month in December:
Ryan, Cora, Ella, Calvin, Rimsha, Johanna, Azalea, Stella, Morku, August, Sophia, and Anna

The Golden Roadrunner was awarded to Mrs. Solie's second grade class for earning the most feathers in December! Way to go!

Expectation Acknowledgement

Beep Bucks- Students earn beep bucks by following school expectations. Teachers give specific feedback so students understand the positive behavior that is being reinforced. Beep bucks are exchanged for money to purchase school store items such as raffle tickets, school supplies, and toys.
