Valentines and Presidents – February 1, 2023

## Principal's Message

Our return to school at the beginning of January went very smoothly. Teachers and students got back into the swing of things quickly and picked up where they left off in December.

We started the 2nd semester on January 30th, so we are officially half the way through this school year. We all look forward to the start of a new semester and all of the information and concepts that we have yet to learn.

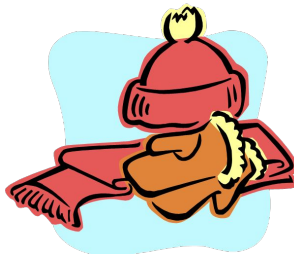

We have been working hard to implement some new time periods in the school day called "Warrior Time." These will be periods of the school day when students can receive extra help or enrichment without missing class time. The details are still coming together, but we hope to have it in place by mid-February.

I look forward to students celebrating Valentines Day on Tuesday, February 14th, and Parent-Teacher Conferences on February 16th. Please don't hesitate to contact me with any questions or concerns at (330) 438-4300 or

Have a great Warrior February!

## Testing Dates

The following Testing Dates are planned for the Intermediate School:

- April 17-21: Ohio State Test in English/Language Arts
- May 1-5: Ohio State Test in Math
- May 8-14: MAP Growth

Please do not plan vacations during the week of April 17 and May 1 so that students can take the state tests.

# PARENT/TEACHER CONFERENCES

Parent/Teacher Conferences are February 16, from 3:45-4:15 pm. Please contact your child's teacher to schedule a conference if you would like one. Conferences may be conducted in person or over the phone based upon the parent/guardian's desire. This is a great opportunity to meet with your child's teacher and get questions answered.

## Valentines Day Parties

Valentines Day Parties will be held on the afternoon of February 14th. Students may create Valentine boxes and bring in Valentine cards to share. Thank you in advance for our PAC volunteers who will be organizing and conducting the parties for the students.
