ACTIVITIES – All included in the camp tuition

Campers participate in team and individual sports, white-water rafting, paintball, a Braves game, and much more!

HEALTH

The camp has an infirmary on campus with a nurse on duty 24 hours a day. Three professionally staffed hospitals are available within five minutes of campus. We also have a NATA-approved athletic trainer and quality training facilities available during the daytime hours. In the rare case of a medical emergency, the nurse will call you – it is very important that we have an emergency phone number for you. Otherwise you will not hear from us except for occasional administrative questions. **There is a 2-sided mandatory Health Form for you and your physician due May 1 and we MUST have a clear copy, front and back, of your insurance card, and a copy of your camper's immunization record.**

LAUNDRY SERVICE and PERSONAL HYGIENE

Campers are required to shower daily and have dirty clothes prepared for washing in mesh bags (which we provide) to be washed by the laundry service every other day at no extra charge.

INSURANCE

McCallie Sports Camp supplies each camper with supplemental accidental medical insurance coverage. This coverage is designed to take care of remaining expenses if a family's primary insurance coverage does not cover all expenses. Your insurance is the primary coverage. Please let us know if you have no health insurance.

DORM/TEAM ASSIGNMENTS/ROOMMATES

The boys live and spend most of their time with their team. They sleep in air-conditioned school dorm rooms, their counselors are on the same floor. Due to highly organized age level activities and competition, campers are assigned to roommates/teams/leagues and dorm floors according to age. There are 2 or 3 boys to a dorm room, 8-10 boys on a team, and 4-5 leagues, depending on the amount of boys in a certain age group. **We can not accept team requests.** We try to honor all parent roommate requests. We notify parents via email of roommates/leagues/teams on the Friday before the camp session begins.

USE OF PHONES/LETTERS/EMAIL/PHOTOS OF CAMP

To prevent homesickness, there are no pay phones located in the dorms. The commissioner of each age group league will have a phone in his room for use during emergencies or to relay important messages. Unless flying, please do not send cell phones to camp – all phones must be turned in at check-in. If you would like your son to write to you, we recommend that you send self-addressed stamped envelopes which will make it easier for him to write home. You may email your camper daily; due to time constraints the campers will not have time to email back. Email to: campers@mccallie.org. Put the boy's name and team in the Subject line. No care packages allowed; please use the Camp Mom Gift Bag service to send your camper some treats. We do try to post photos often during camp. The links to the camp photo page and the Camp Mom Gift Bag service are on our web site: mccalliesportscamp.com

HOMESICKNESS

Homesickness is sometimes a part of the camp experience. Please talk to your son before coming to camp to explain that it can be a normal, natural process. Please do not tell him that he can call you and/or that you will pick him up if he is homesick. 99% of the boys who suffer from homesickness work through it quickly with our counselors and staff who are trained to deal with this issue; and the campers become stronger and more self-assured young men because of the process.

**ADVENTUROUS FAST RIVERS RAFTING COMPANY (AFRR)
RELEASE OF LIABILITY – READ BEFORE SIGNING**

In consideration of being allowed to participate in any way in the Nantahala Riverside, Inc. dba Adventurous Fast Rivers Rafting program, its related events and activities, I, the participant, the undersigned, acknowledge, appreciate, and agree that:

1. The risk of injury from the activities involved in this program is significant, including the potential for permanent paralysis and death, and while particular skills, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist; and,
2. I KNOWINGLY AND FREELY ASSUME ALL SUCH RISKS, both known and unknown, EVEN IF ARISING FROM THE NEGLIGENCE OF THE RELEASEES or others, and assume full responsibility for my participation; and,
3. I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the Adventurous Fast Rivers Rafting immediately; and,
4. I, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, HEREBY RELEASE, INDEMNIFY, AND HOLD HARMLESS Nantahala Riverside, Inc., their officers, officials, agents and/or employees, other participants, sponsoring agencies, sponsors, advertisers, U.S. Forest Service, and, if applicable, owners and lessors of premises used for the activity ("Releasees"), WITH RESPECT TO ANY AND ALL INJURY, DISABILITY, DEATH, or loss or damage to person or property associated with my presence or participation, WHETHER ARISING FROM THE NEGLIGENCE OF THE RELEASEES OR OTHERWISE, to the fullest extent permitted by law.

I understand all equipment is my responsibility to return intact to AFRR staff and if retrieval of equipment or anyone in my party is required by AFRR staff a retrieval fee may be charged based on time and equipment required (\$25.00 minimum). Insurance is included against damaged equipment, not lost or stolen equipment. In the event any equipment gets lost or stolen; payment will be required for complete replacement. I authorize the use of all photos taken of myself or of our group for any type of promotional advertising.

(A) Once your life preserver is personally fitted to you before the trip begins, you **MUST** wear it with all buckles securely fastened at all time while on the river. **(B)** Wear proper shoes. Sandals without a strap around your heel, flip-flops, and slick sole shoes are not appropriate. You are more inclined to slip and fall or twist an ankle if you are wearing inappropriate footwear (or no shoes at all!). You need to wear a fairly sturdy, secure shoe with some tread to prevent from slipping. **(C)** Sit only in proper places on the craft as indicated in your safety instruction. NEVER DRAG crafts as this will cause wear and damage. **(D)** Do not participate in this whitewater trip if you are under the influence of alcohol or "drugs". They impair your judgment and coordination, thus jeopardizing your safety and the safety of others. AFRR prohibits harmful conduct or interference of any kind with safety and reserves the right to remove any individual from a trip, with no refund, if these policies are not followed.

I HAVE READ THIS RELEASE OF LIABILITY AND ASSUMPTION OR RISK AGREEMENT, FULLY UNDERSTAND ITS TERMS, UNDERSTAND THAT I HAVE GIVEN UP SUBSTANTIAL RIGHTS BY SIGNING IT, AND SIGN IT FREELY AND VOLUNTARILY WITHOUT ANY INDUCEMENT.

	I will tell my parents, my coach and/or a medical professional about my injuries and illnesses.	N/A
	I will not return to play in a game or practice if a hit to my head or body causes any concussion-related symptoms.	N/A
	I will/my child will need written permission from a <i>health care provider</i> * to return to play or practice after a concussion.	
	Most concussions take days or weeks to get better. A more serious concussion can last for months or longer.	
	After a bump, blow or jolt to the head or body an athlete should receive immediate medical attention if there are any danger signs such as loss of consciousness, repeated vomiting or a headache that gets worse.	
	After a concussion, the brain needs time to heal. I understand that I am/my child is much more likely to have another concussion or more serious brain injury if return to play or practice occurs before the concussion symptoms go away.
