What is the Community Connections Program? G2M Community Connections provides the extension to the Summer Learning morning program. It **completes** the full day of learning opportunities for our students at the elementary summer learning sites. These programs are offered in partnership with our “Community Partners” such as 4-H, Boys and Girls Club, Marathon County Parks and Recreation Department, Monk Botanical Gardens and many more! Community Partners rotate throughout the sites. The programs begin at 1:00 PM after students have a FREE lunch, with the program concluding at 4:00 PM. **NEW to this year - we will have PM bussing to students’ home school.** Bussing signup will be available April 2023. This program is designed as a 6-week comprehensive package and is not intended for those seeking a limited number of days and/or weeks. In order to participate, students must enroll in the daytime Summer Learning Program.

How does the registration and payment process work? **Students register and pay through their on-line portal of Infinite Campus.** Registration is first come, first serve basis. Each site can serve 60 students and fills up quickly. Siblings of registered students will be kept together for registration. Once slots have been filled, students will be placed on a waiting list. **To secure your place, payment is required at the time of registration.**

How will students be notified of acceptance into Community Connections? Students will be notified of all Summer Learning classes around **May 12, 2023.** **To secure your space, payment must be received at time of enrollment.** If you have not received any information, please contact the G2M Community Connections office at 715-261-0580.

What is the cost of Community Connections? The cost is \$40 per student; however, if enrolling three or more children per family, the maximum fee is \$100. For students economically disadvantaged, the reduced cost is \$10 per student. If you are unable to pay online, **payment must be received at time of enrollment.** Online registration and payment are preferred and we are most willing to assist you in this process.

HOW TO REGISTER:

- Register online at <https://tinyurl.com/wsdsummer2023>
- **Final registration and payment deadline is May 1, 2023.** Families are encouraged to register and pay at the time of registration as spots fill up quickly. Look for the Summer Learning confirmation letter around **May 12, 2023.**

The Wausau School District does not discriminate against individuals on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability. Federal law prohibits discrimination in education and employment on the basis of age, race, color, national origin, sex, religion, or disability.

G2M Community Connection Enrollment Form
