Senior Director, Community Schools

Purpose Statement
The job of Senior Director, Community Schools is done for the purpose/s of leading a team of content area specialists to provide technical assistance, resources, and research-based strategies on whole child and community schools initiatives; lead the coordination of county-level governmental, nonprofit community-based organizations, and other external partnerships to support community school implementation at California Community School Partnership Program (CCSPP) grant recipient sites in San Diego county.

Diversity Statement
Because each person is born with inherent worth and dignity, and because equitable access and opportunity are essential to a just, educated society, SDCOE employee commitments include being respectful of differences and diverse perspectives, and being accountable for one’s actions and the resulting impact.

Essential Functions

- Collaborates with internal and external personnel (e.g., district and school site administrators, community organizations, etc.) to ensure the California Community Schools Framework is utilized to support collaborative leadership practices, expanded learning time and opportunities, active family and community engagement, and integrated supports.
- Develops and sustains robust partnerships with county-level governmental, community organizations, school districts, and other partners to support equitable opportunities, alignment, and coherence of community schools initiatives.
- Coordinates regional leadership meetings establishing networks for regular communication with district and community leaders regarding community schools and partnerships that support whole child best practices.
- Engages and supports SDCOE’s CCSPP technical assistance system and ensures alignment with the California Department of Education’s Statewide System of Support and other school improvement and professional development support systems.
- Coordinates services across child-serving agencies, municipalities, governmental entities, and schools.
- Facilitates meetings, workshops, seminars, etc. for the purpose of identifying issues, developing recommendations, supporting other staff, and serving as a SDCOE representative.
- Provides coaching and supervision of staff responsible for delivering technical assistance as part of SDCOE’s CCSPP Regional Technical Assistance Center.
- Compiles and analyzes national, state and district level data, trends and policies related to education for the purpose of identifying and anticipating district and school needs and designing services to address the needs pertaining to the whole child.
- Performs personnel functions (e.g. interviewing, evaluating, supervising, etc.) for the
purpose of maintaining adequate staffing, enhancing productivity of personnel and achieving objectives within budget.

Other Functions
- Performs other related duties as assigned for the purpose of ensuring the efficient and effective functioning of the work unit.
