<b>Discussion:</b>		
<b><u>Academy Committee</u></b>	Academy Update: Mr. Wydra is our representative. He shared that the Academy Committee was working on surveys for teachers and students on the first semester experience. Additionally, the members of the committee shared suggestions. Some of the suggestions were: (1) Shorten the time on the academy and use the extra time for a once-a-month catch-up day (2) More academic networking days (3) all three parts of the lesson should work together rather than having three different lessons in one (4) some flexibility for teachers (5) classes could be organized by groupings, such as all ASB leadership in one class or all ELL in one class.	
<b><u>Calendar 2023-2024</u></b>	<p>2023-2024 calendar. The calendar was approved. Draft 1. The vote was one 7 to 1. A. Purther voted for Draft 2. Calendar Draft 1 was approved with the understanding that there would be three student minimum days prior to WASC for staff to work in committees.</p> <p>Note: Survey data was presented by A. Bennett and T. Climaco. A. Bennett presented the survey data from the staff. 130 responses with 66.9% supporting Draft 1, while 21.5% supporting Draft 2 and 11.5% supporting Draft 3. T.
