2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

The Lawrence School Community is committed to providing a learning environment that promotes rigorous teaching, learning and promotes high academic expectations for all learners. We believe that all students can achieve to a higher level of learning if the learning environment is academically challenging, safe, and nurturing. At Lawrence, we believe the learner needs to take responsibility for their learning in order for the student to academically challenge him/herself to do the best that they can do in school and in life. The school provides a learning community that promotes quality education and critical problem solving skills to all learners through a challenging and standards based district adopted curriculum.

The 2022/23 School Goals for Lawrence Elementary are:

Goal 1: English Language Arts

By March 31, 2023, with an implementation of Multi-Tiered System of Support (MTSS), Lawrence Elementary School will show a 5% increase in proficiency on the following common diagnostic measures:

- * K-2 DIBELS assessment
- * 3rd- 6th Grade ELA iReady Universal Screener
- * 3rd-6th Grade CAASPP English Language Arts

Goal 2: Mathematics: By March 31, 2023, with an implementation of Multi-Tiered System of Support (MTSS), Lawrence Elementary School will show a 5% increase in proficiency on the following common diagnostic measures:

- * K- 6th Grade Mathematics iReady Universal Screener
- * 3rd-6th Grade CAASPP Mathematics

Goal 3: English Learners: By October 1, 2022 , with an implementation of Multi-Tiered System of Support (MTSS), Lawrence Elementary School's English Learners will show a 5% increase in progress toward English proficiency as measured by the English Learner Progress Indicator (ELPI) as reported on the California Dashboard.

Goal 4: Parent Involvement: By March 31, 2023, with an implementation of Multi-Tiered System of Support (MTSS), Lawrence Elementary School will show an increase in parent involvement on the following measures:

Parent /Teacher Conferences

2022-23 School Overview

Goal 5: Professional Development: By March 31, 2023, Lawrence Elementary School will have 100% of teachers participating in the following Professional Development in:

- * K-6 MTSS Framework
- * K-2 The Consortium On Reading Excellence CORE
- * K-6 iReady - Math

To prepare the school and students to have high expectations for all learners, the school has a Teacher Leadership Team (TLT) that has teacher representation spanning across the grade levels. The TLT meets monthly or when needed to support teachers, students and parents. The school implements the core curriculum with fidelity and direct, explicit instruction is taught through the school day. Teachers work with small groups of students during UA time to reteach skills or to academically challenge students. The school implements a sequence of assessments for learning throughout the academic school year. Through diagnostic and regular assessment intervals students are identified for interventions to support learning acceleration in areas below grade level. To support students in meeting academic achievement goals in English Language Arts the school provides two Reading Intervention Specialists for grades K-6 and utilizes SIPPS as a supplemental reading program to support intervention/differentiation in grades K-3. To support the school mathematics goal, the school utilize Dream Box and Flocabulary to supplement the core math instruction program. Academic Conferences are held yearly to review school, class, and individual student data to better inform decision-making. Lawrence is an AVID school where all teachers use AVID elementary strategies to support all learners. The school implements a PBIS (Positive Behavior Interventions and Support) system school-wide. Monthly PBIS assemblies are held to encourage students to demonstrate a Positive Attitude, Always be Respectful, make Wise Choices, and demonstrate Safety (PAWS). To support English Learners at Lawrence, the school provides daily designated English Language Development (ELD) instruction. Bilingual Paraeducators push-in to the classrooms daily. Parents are recognized as an integral part of the school community at Lawrence elementary school. School calendars of events and teacher newsletters, brochures and announcements are keeping parents informed about their child's education and school events. The school has an active English Learner Advisory Committee (ELAC) and a School Site Council (SSC).

Lawrence Elementary School is located in the northeast section of the city of Lodi and shares the same site as the School Readiness/Preschool Services Children's Center. Originally built in 1960. The school is on a Modified Traditional schedule. There is one full time Principal, one full time Vice Principal and 24 full-time general education classroom teachers, 1 Resource Specialist, 3 Special Education Preschool Teachers, 2 Full-Time Intervention/Literacy Teacher, 1 Full-Time Mathematics Intervention Teacher, and a Full-Time Counselor.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

This school sits on seven acres and was built in 1960/1972. It began with seven classrooms, an office, a multi-purpose room and a trailer, which was used for storage. Twenty portables were added between 1982-1999. In 1985, a new toilet portable was added. A new multi-purpose room was built in 2000 along with a portable to be used for the Healthy Start program. In 2003, the school added two more portables and re-located two additional to the site. Recently the entire school has been renovated and we no longer have portables on site.

MAINTENANCE AND REPAIR:

The Lawrence School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS:

2011 Remodeled main building, added more new classroom wings and new parking lot. 2015 Added access control and cameras. 2020 Fire alarm Project

NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Lawrence Elementary on 10/7/2022.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of October 2022, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Lawrence Elementary.

These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	96%	99%	99%	99%	99%

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

This section provides information about opportunities for parents to become involved with school activities. Parents who wish to be a partner in the learning of their child(ren) education are welcome to join and participate in Lawrence Elementary: leadership teams, school committees, school activities, or become a volunteer in the classroom may contact Principal Kelly Collins at (209) 331-7356.

Parents are invited to join School Site Council (SSC) and English Language Advisory Committee (ELAC). Parents have the opportunity to participate in the development of the School Plan for Student Achievement (SPSA) Safe School Plan and Parent Involvement Plan. There are a variety of parent education and family nights. Examples include: Back-to-School. Family Bingo, STEAM Family Night, and Open House.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.52	4.45	2.45
Expulsions	0.17	0.12	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2022-23 School Safety Plan

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 12/10/2021.
