## Transportation Requirements for Private and Parochial Schools

Section 363.5 of the New York State Education Law requires school districts to provide transportation for students up to fifteen miles to their designated private or parochial school selected by the parents. The mileage is measured from the pupil's home to the school legally attended.

All district residents who presently have children transported to private or parochial schools, or who are contemplating private or parochial school enrollment, are reminded to **submit a request yearly** by filling out the Non-Public School Transportation Form found on the Victor Schools website every year **no later than April 1<sup>st</sup>**.

If you have any questions regarding transportation arrangements, please feel free to call me at 585-924-3252 Ext. 7600
