## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

### Principal's Message

The School Report Card, to be issued annually by local school boards for each elementary and secondary school in the state, provides a variety of information about the school, its resources, its successes, and the areas in which improvements are needed. The Santa Lucia Middle School staff has developed a very strong academic program, as well as a well-balanced extra-curricular program. These programs were developed to meet the ever-growing demands of the early adolescent in our complex society today. As you read this Report Card from Santa Lucia Middle School, you will find a picture of a school with a solid record of improvement, a faculty that is professionally skilled and personally committed to meet the learning needs of students, and a student body which is motivated to perform well. You may request additional information regarding the Report Card by calling the school office.

### Mission Statement

The mission of Santa Lucia Middle School is to produce happy, healthy, contributing members of a global society by providing an atmosphere that promotes higher level academic achievement, positive social development, and emotional maturity that encourages life-long learning.

### School Profile

Santa Lucia Middle School is in the Coast Unified School District. Curriculum is focused on core academics. Technology is integrated into the instruction of all courses. To prepare our students for their futures and to develop 21st century skills, students are asked to utilize technology to help research, produce, publish and present information. The school supports cultural awareness through its diverse literature selections, foreign language offerings and arts and music program.

6th, 7th, and 8th grade students are enrolled at the school, with classes arranged on a traditional schedule calendar.

## About this School

Students with Disabilities	15.5

#### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

<b>Total Teaching Positions</b>	9.20	100.00	41.10	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Coast Unified held a public hearing on September 8, 2022 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks, instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2022 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## School Facility Conditions and Planned Improvements

Santa Lucia Middle School was originally constructed in 1965 and is comprised of three permanent classrooms, nine portable classrooms, one gym, one multipurpose room/cafeteria, one library, one staff lounge, one front office, one computer lab, one athletic field space, and one asphalt play area.

### Cleaning Process

The principal works daily with one full-time custodian to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

District Support Services staff ensures that work orders for repairs necessary to keep the school in good repair are completed in a timely manner. A work order process is used to ensure that efficient service and highest priority are given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. Items noted in the table have been corrected or are in the process of remediation.

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	32	N/A	37	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	19	N/A	27	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Santa Lucia Middle School greatly benefits from its supportive parents and community. The school has a strong base of parent volunteers who participate in school activities on a regular basis. Parents and families are able to provide input and assist in the school's direction through participation in the English Language Advisory Committee and through the School Site Council.

**Contact Information:**

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Santa Lucia Middle School at 805-927-3693. Volunteer information is also available on the school website.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.79	2.66	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. ## 2022-23 School Safety Plan

Eighty-nine percent of the parents responding to the parent survey believe that Santa Lucia Middle School offers a safe learning environment. Eighty percent of surveyed students reported that Santa Lucia was safe or very safe. The District has a comprehensive Emergency Preparedness Plan in place to handle varied types of school-wide emergencies. The District and School Safety Plan covers all aspects of student safety for natural and man-incurred emergencies, and identification of duties for all types of emergencies. The students at Santa Lucia Middle School practice fire, earthquake and lock down drills regularly. The Safety Plan for Santa Lucia is reviewed, updated and discussed with faculty annually.

Data within the SARC was provided by Coast Unified School District, retrieved from the 2022-23 SARC template, located on Dataquest (<http://data1.cde.ca.gov/dataquest>), and/or Ed-Data website.

Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention. Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

Services funded at Santa Lucia Middle school for the 2022/23 school year include:

#### Goal 1: Literacy

- \* Professional development will be provided to specific sites/grade levels and will include but not limited to SDAIE training, and integrated/designated ELD.
- \* To bridge literacy skills for English Learners, bilingual libraries and literature in home languages and/or with graphic support will be purchased to be made available in school libraries.
- \* In addition to all teachers providing integrated and designated ELD to English learners, designated ELD will be taught and supported by the following teachers: .42% ELD teacher at SLMS
- \* Additionally, bilingual aides support EL students across CUSD.
- \* Language needs and increased communication with families are supported by bilingual front office staff at each school site as well as the district office.
- \* Research based programs and curriculum to support ELD and to expand students' communication and critical thinking in literacy are purchased and implemented throughout the district. These programs and services include; English 3D. Renaissance Place, Newsela, and ETC Portal subscription provide reading materials and comprehension quizzes that are leveled for emerging readers and those in need of bilingual support. The district wide adoption of NWEA will provide longitudinal assessments providing direction for RTI grouping and student scheduling for support.
- \* Our SLMS librarian assists in research skills and instructing literacy strategies. Our school librarian also manages books and resources, including digital books and subscriptions and support for students in need.
- \* Our librarian position has evolved over the last few years as there has been a shift in the student needs. The library has become a place for students who are struggling with classes to seek additional help. This access directly supports our unduplicated students in all three goals.

#### Goal 2: Math

- \* Math teachers participate in professional learning sessions on the standards for mathematical practice. Teachers of mathematics will participate in a minimum of one workshop.
- \* To increase pupil achievement and course access, math support will be provided through offering an additional math period for students who need further instruction.
- \* To increase pupil achievement and due to the success of the iLearn math program, its use will be maintained.

#### Goal 3: College and Career Readiness

- \* College tours are scheduled to expose students to the variety of higher education options and to help them in understanding paths to higher education, the steps necessary in getting there. These tours provide college visits for students who may otherwise not have the opportunity to do so.
- \* To increase pupil engagement and provide for a positive school climate, Coast Unified School District, in partnership with San Luis Obispo County Mental Health, the Link and Prevention and Early Intervention services, provides group and individual counseling services, family advocacy, and parent education services.
- \* Coast Unified School District will continue to implement a 1:1 technology device program in order to more deeply integrate technology into its courses, instruct students in 21st century skills, and support all district LCAP goals including increasing college and career readiness. With our high percentage of socioeconomically disadvantaged students, this provides access to research materials, presentation and publishing software, books and other digital media for all students.
- \* The district's Computer Support Technician supports the following actions and services for the three LCAP goals the NWEA diagnostic program, 1:1 device implementation, and report services
- \* Coast Unified School District provides transportation to and from school. This service is principally directed to support socioeconomically disadvantaged students and their families.
- \* Summer school be made available for students in grades 6-8 who are identified as needing additional academic support
- \* The district's Computer Support Technician supports the following actions and services for the three LCAP goals the NWEA diagnostic program, 1:1 device implementation, and report services
- \* Based on stakeholder input from both teachers and parents, funding for additional homework assistance is provided Monday through Thursday.

#### Goal 4: English Language Development

- \*Newcomers class(s) and program and modified course work for newcomer students (Read Naturally, Duolingo)

## 2021-22 Types of Services Funded

- \*Use of English 3D curriculum, Read Naturally curriculum and additional teacher resources (writing and listening activities) to improve language skills
- \*Smaller class sizes and leveled classes for ELD students (6th grade students groups, 7/8th grade students split between high and low levels)
