Dear Ms. Szalai:

Thank you for clarifying the search terms. Our IT department ran the following search:

all:("ban" OR "bans" OR "banning" OR "book review" OR "book censoring" OR "Moms for Liberty" OR "lawsuit")

Please see the attached public documents responsive to this search. Please note that it is not uncommon for email searches to pull the same email more than once if part of an extended email chain.

Regards,
Candace

Dear Ms. Szalai:

The district is in receipt of your January 3, 2023 FOIA request. We can search emails to Mr. Haupt, but in order to run a targeted search for "any email that may be utilized by the Pat Conroy Literary Center pursuant to the book review issue," we need further specificity. Please let us know the exact search terms and dates you would like the IT department to use so they can follow your directive rather than making assumptions.

Regards,
Candace
