Dear Parents:

The Northern Bedford County School District encourages all participants in the school breakfast and lunch program, to maintain a positive balance in their cafeteria accounts.

The Northern Bedford County School Board adopted a policy regarding debt collection for the cafeteria. Listed below are the procedures that will be followed.

- Deficient balance messages will be generated to parents weekly.
- For students whose balance has exceeded \$5.00, a telephone message will be generated.
- Failure to pay outstanding balance will result in civil charges and additional fees.

If I can be of assistance or you have any questions, please call me at 766-4714 or e-mail jmiller@nbcasd.org.

Sincerely,
Jennie Miller
Food Service Director
