Mrs. Damiani's Weekly Announcements

2/1/23

Please see the nurse if you:

- Feel like you have a fever – body aches, chills, headache while in school
- Feel like you could throw up while in school
- Have a headache that develops while in school
- Get hurt in the classroom or PE class

**You must have a pass to visit the nurse.

If you have been hurt OUTSIDE of school – you need to tell your parents first. The school nurse should not be seen before your parents have addressed it at home.

If needed, keep a spare set of clothes in case something happens at school. You can keep them in your locker.
