

Buena Park Learning Center

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Buena Park Learning Center
Street	8201 Country Club Drive
City, State, Zip	Buena Park, CA 90621
Phone Number	(714) 994-9381

Email Address	mbeckelheimer@bpsd.us
School Website	http://bplc.bpsd.us/
County-District-School (CDS) Code	30-66456-0140244

2022-23 District Contact Information

District Name	Buena Park School District
Phone Number	(714) 522-8412
Superintendent	Dr. Ramon Miramontes
Email Address	rmiramontes@bpsd.us
District Website Address	https://www.bpsd.us

2022-23 School Overview

Welcome to the Buena Park Learning Center!

We are a community dedicated to service at an innovative new campus in the Buena Park School District (BPSD). The newly created Buena Park Learning Center (BPLC) is located on the former Beatty Elementary School lower campus, and we are here to serve you. We invite you to review our Annual School Accountability Report Card. In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card that fulfills state and federal disclosure requirements. Parents will find valuable information about our academic programs, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

The BPLC will grow to be a connecting place and home-base for essential core and extended learning opportunities in the BPSD, including:

- The new K-8 Academy for Accelerated Learning (AAL) – a 100% online public school opportunity for families seeking an alternative school experience in a changing world.
- Buena Park Early Learning - BPSD state preschool and other early childhood programs and school readiness support from birth to age 5.
- BP Special Education for our youngest exceptional learners – site-based classrooms supporting specialized academic instruction and our BPSD special assessment team receiving Initial referrals from Regional Center and the general community.
- BPSD School Readiness support, Birth to Age 5, and state preschool programs across the district
- BPSD-CSUF After School Education and Safety (ASES) – K-8 extended-day learning programs across the district.

We are committed to provide the best educational program possible for students at the Buena Park Learning Center and welcome any suggestions or questions you may have about the information contained in this report or about our school community.

The Buena Park Learning Center is here to meet the needs of students and families who will join our programs in the 20-21 school year and beyond. The current crisis is presenting us with many challenges to education and the Buena Park School District is working hard to meet the needs of our students and families at each of our school sites across the district. We at the

2022-23 School Overview

Buena Park Learning Center are just beginning our work, and our site and programs will continue to be developed over time to provide connected and alternative learning options to better serve our community.

School Profile

The Buena Park Learning Center is located in the northern region of Buena Park and serves students from preschool through grade eight following a traditional calendar. At the beginning of the 2020-21 school year, 157 students were enrolled, including 57% Students with Disabilities, .1% Foster Youth, 2% Homeless Youth, 5% qualifying for English Language Learner support, and all students are offered free breakfast and lunch through the Community Eligibility Provision of the National School Breakfast and Lunch Programs. The Buena Park Learning Center is a diverse community with 52% identifying as Hispanic or Latino, 8% white, 17% Asian, 1% American Indian/Alaskan Native, 1% Pacific Islander, 4% black, 9% Multiethnic, and 8% Filipino. Certificated support services include Counseling Services and GATE/High Achiever Services. Classified Support Services include a Library Media Clerk, and Instructional Assistants (Special Education) At the Buena Park Learning Center students are provided state of the art instruction by highly qualified and dedicated teachers in fully modernized classrooms.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers		
Misassignments		
Vacant Positions		
Total Teachers Without Credentials and Misassignments		

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver		
Local Assignment Options		
Total Out-of-Field Teachers		

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)		

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Students enrolled in the Buena park Learning Center participate in specialized programs. Students enrolled in the Buena Park Early Learning program are preschool through kindergarten students with individual education plans (IEP) receiving specialized academic instruction. Students enrolled in the Academy for Accelerated Learning (AAL) are kindergarten through 8th-grade students who participate in a virtual, alternative curriculum from K12 Learning Solutions (Fuel Education) that is aligned to California State Standards and was approved by the governing board on 8/10/2020. The adopted core curriculum listed below is available for all students in grades K-8.

On Monday, September 14, 2020, the Buena Park School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #20-14:2020-2021 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbook and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The information that follows shows the currency and availability of the textbooks and other instructional materials used at the school as of September 2020.

Year and month in which the data were collected

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Buena Park Learning Center's original facilities were built in 1966 and is adjacent to the Gordon H. Beatty Middle School campus; ongoing maintenance and campus improvements ensure facilities remain up-to-date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Add gates for the learning center.
- Remodel K-8, for the new learning Center office.
- Add new signage for the learning center & Beatty Middle School.
- Fire hydrant testing.
- Install Covid-19 campus use signs.
- New custodial schedules.
- Deep clean campus.
- Annual service includes, Staff ID badges, HVAC filters, Test fire alarm system, Service fire extinguishers, Service backflow devices, Tree trimming.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two full-time day custodians, and one full-time and one half-time evening custodians are shared between the Buena Park Learning Center and Gordon H. Beatty Middle School. The day custodians are responsible for:

- Classroom cleaning
- Cafeteria/kitchen setup and cleanup
- Restroom cleaning
- Main office cleaning
- Event set up

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed.

Evening custodians are responsible for:

- Classroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Buena Park Learning Center participates in the State School Deferred Maintenance program which provides matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating and air, electrical, painting, flooring, asphalt, wall systems, and underground tanks.

Facilities Inspection

The district's maintenance department inspects Buena Park Learning Center on an annual basis in accordance with Education Code §17592.72(c)(1). Buena Park Learning Center uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place November 24, 2020. Deficiencies noted in the school inspection survey were corrected in a timely manner by the district's maintenance department. During fiscal year 2020-2021, all restrooms are fully functional and available for student use.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Students Receiving Migrant Education Services					
Students with Disabilities					

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
-------------	----------------------------------	--	---	---	-----------------------------

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parents are encouraged to get involved in their child's learning and school community by participating in a decision-making group, volunteering at school events, or simply attending school activities and family nights. Due to the current situation resulting from the COVID 19 pandemic, most events are being held virtually.

Parents stay informed of upcoming events and school activities through parent conferences and weekly updates on Parent Square - our multi-platform, school-wide communication application - and school-home communication documents. Please contact the principal at (714) 994-9381 for more information on how to become involved in your child's learning.

2021-22 Chronic Absenteeism by Student Group

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

2022-23 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Buena Park Learning Center in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff on October 11, 2020.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	14664	1763	12901	93404
District	N/A	N/A	12986	
Percent Difference - School Site and District	N/A	N/A	-0.7	
State	N/A	N/A		
Percent Difference - School Site and State	N/A	N/A		

2021-22 Types of Services Funded

The school site offers a wide variety of programs and services within the MTSS Framework which allows for tiered supports for students in both academics and social-emotional development. Students are afforded quality services that span across a continuum starting with best first instruction and interventions, moving to supplemental services and enriching activities, and includes specialized programs.

Base level programs & services offered virtually and in person:

- Daily English Language Development for all English Learners
- Wellness teacher to coordinate physical fitness and wellness activities
- Virtual Online K-8 Academy for Accelerated Learning
- Universal access to digital devices and connectivity for all grade levels
- Grade level intervention and enrichment sessions 4 days/week
- Special Education PK - on site
- Special Education Services - Speech, RSP, SDC on site
- Site Intervention team - reviews status of interventions and recommends revisions, services, exit etc.
- Instruction using social emotional curriculum - Second Steps
- PBIS- Evidence-based tiered framework of behavior practices
- Tiered interventions for SEL and mental health
- Tiered interventions for academic instruction

Supplemental supports and services:

- Additional Classified positions to support student academic and behavioral needs
- CAST process for supporting students with academic, behavior, and social emotional needs
- Care Solace which provides mental health referrals for families and staff
- Math & reading intervention using i-Ready online instruction
- Enrichment activities to enhance the curriculum and build student 's experience base
- GATE program that includes differentiated instruction and enrichment opportunities
- Teachers provided small group intervention and differentiated support for students
- ESY and Summer Academy to provide ongoing instructional support for at-risk and Spe. Ed. students
- Tutoring support for EL students that provided intense focus on reading comprehension
- BPSD year-round Speech and Debate Program
- Panorama Playbook activities to support SEL activities for students
- Site/district led parent education and family curriculum events
- Supplementary instructional materials, supplies, and equipment to support differentiated instruction and curricular access

Percent of Budget for Administrative Salaries		

Professional Development

Professional learning for the Buena Park faculty is aligned to the California State Content Standards and Frameworks, Multi-Tiered System of Support (MTSS) At the District level, a team of administrators specializing in curriculum and instruction identifies teaching and learning strengths along with specific areas of need. Using site surveys, combined with data analysis from state assessments and District benchmark tests, a district-wide focus for increasing academic proficiency levels for all students is planned.

Every week, teachers are provided professional development opportunities in the areas of instructional strategies, assessments, and curriculum planning. During the year, time is devoted to data analysis and planning for differentiated instruction and intervention. Site professional development is mirrored with the district plan for instruction and assessment and designed to meet the specific needs of Buena Park learning Center students. The Buena Park Learning Center offers support to new and veteran teachers through professional development, peer coaching and mentoring. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

The Buena Park School District provides teachers with ongoing professional development to advance content knowledge, instructional expertise, and collaborative planning, as well as training to support teachers with the implementation of district-wide initiatives including Common Core State Standards, new curriculum adoption, MTSS elements, and assessment development. Teachers are given opportunities to develop both the art of teaching and instructional leadership skills by attending ongoing training and coaching when offered.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
