Contact Information

Do you have a phone number or address change? If your contact information changes at any point during the school year, please make this change in Final Forms as soon as possible so that our records are up to date. The information that you complete in Final Forms is what we use in order to contact you if needed during the school day. Our all call and mailing systems also pull your information from the Final Forms information that you have completed and is on file with the school when we send out letters and automated phone messages. Need help with this? Please let us know!

Winter Weather

Winter weather is upon us and with it brings many cold, windy days. Please make sure that your child is dressed for the weather with coats, hats, gloves, etc. as we do go outside every day as long as the temperature is 20 degrees or higher. Please be sure to label each item with your child's name. We have many coats, sweatshirts, hats, gloves, etc. that are lost each year because they do not have names inside.
