DEAR FRIENDS,

Welcome to Potomac's 2023 Scholarship Auction, *Casino Royale*. What a great theme, bringing to mind elegantly dressed guests engaged in high-stakes gamesmanship as they gamble the night away. There's a hint of danger, too, as James Bond plots to save the world...while falling in love, of course. Excitement and elegance, sophistication and suspense abound as we join the throng in the velvet confines of *Casino Royale*. And it's all for the best of causes — to support the wonderful students and teachers who are the very heart of The Potomac School!

I find *Casino Royale* an intriguing theme, and I know that we have an incredibly exciting evening to look forward to, thanks to the efforts of our auction co-chairs, Janelle Nowak-Santo, Sarah Murphy Starr '99, and Hunter Weimer, and the many volunteers who have worked tirelessly to make the event a success.

Whatever the theme, Potomac's Scholarship Auction is always an evening of fun and friendship. As the parent of a Potomac "lifer" and the spouse of a longtime faculty member, I have been privileged to be part of this event year after year. Tracy and I always look forward to seeing Potomac parents, alumni, and faculty and staff in this enjoyable social setting. While we may lack the glamor and mystery of international spies, Tracy and I are inspired by the sense of shared mission that permeates the auction, where everyone is united in dedication to our school and true generosity of spirit.

When we support the Scholarship Auction, we are investing in a particular kind of education. While it is far richer and more complex than this metaphor suggests, a Potomac education might be thought of as a three-legged stool. One leg is intellectual development; our school empowers students to build knowledge across many academic disciplines, learning to think critically, reach informed conclusions, and transform understanding into action. The second leg is character development; Potomac helps students realize their potential as individuals whose lives are grounded in firmly held values. The third leg is development of critical life skills; a Potomac education fosters mastery of skills that will support students' personal and professional success far into the future.

This is the kind of education that prepares students for lives of purpose, achievement, and generosity of spirit. And your support makes it possible!

All proceeds from the Scholarship Auction directly benefit Potomac's students and teachers. While bidding on amazing items and experiences is exciting, this event's centerpiece, Fund a Scholar, offers us something more — the opportunity to raise our paddles in an act of pure generosity, making an outright donation in support of the teachers and learners at the center of The Potomac School's mission. I hope that you will join us in proudly raising a paddle when the moment for Fund a Scholar arrives.

On March 4, the Spangler Center for Athletics and Community will be transformed into an elegant *Casino Royale*. I look forward to seeing you there — and to raising a glass with you (shaken not stirred, of course) as our community comes together once again to celebrate and support this school that we love.

With gratitude,

♥ DEAR FRIENDS,

It's time again for The Potomac School's Scholarship Auction — an annual event that many of us look forward to with great anticipation. Last year's auction theme was *We Are Family*, and everyone really embraced the '70s spirit! Looking around the dance floor, I was excited to see my bright blue leisure suit matched by a sea of bell bottoms, maxi skirts, and disco-ready psychedelic attire.

In addition to being fun, last year's auction was a huge success, setting impressive new records for attendance and dollars raised. It was a memorable event, with smiles all around and everyone so happy to be together again. Nimisha and I were grateful to share that evening with so many of you.

This year, we will gather again in Potomac's beautiful Spangler Center for Athletics and Community, with a new auction theme — *Casino Royale* — brought to life under the leadership of our 2023 auction co-chairs, Janelle Nowak-Santo, Sarah Murphy Starr '99, and Hunter Weimer. I anticipate that last year's hip vibe will be replaced by the elegance of an exclusive European gaming house, where the world's most beautiful people mix and mingle. A perfect setting for our Potomac community!

As members of this community, you fuel our school's mission in many ways. The time, talents, and financial support that you share with Potomac are valued and appreciated. As chairman of the Board of Trustees, I know how fortunate our school is to benefit from a community that is deeply committed and actively engaged all through the year.

So the Scholarship Auction is just one more enjoyable moment among many, right? Not quite. Our single biggest fundraising event of the year, the auction generates critical support for two of Potomac's priorities, as articulated in our Strategic Roadmap: *excellent teaching* and *empowering students*. This event's proceeds support a robust faculty professional development program and a generous student financial aid budget, fueling Potomac's commitment to keep teachers and students front-and-center in everything that we do.

By providing this essential funding, the auction supports another key priority, our school's *financial sustainability*. Tuition dollars comprise just 84% of Potomac's annual budget; our community's generous philanthropic support helps fill the gap. So the Scholarship Auction is an important contributor to Potomac's overall financial health.

Additionally, this event supports our commitment to foster a *connected community*, another Potomac priority. This idea of connection — of caring, supportive relationships — is the very essence of our school's identity. Whether you put on a blue leisure suit or black tie, a pencil skirt or an evening gown, when you come out for the Scholarship Auction, you are wearing your commitment to Potomac for all to see. The friendships nurtured through events like the auction have a positive impact on us all — and on our children's school experience. What a priceless gift we give to ourselves and one another by being active members of this caring, connected community!

This will be my last Scholarship Auction as board chair. Looking back, I marvel at how much this event has grown in recent years, with dramatic increases in both attendance and dollars raised, despite the interruption caused by the pandemic. This kind of success doesn't just happen; it is due to the hard work of dedicated staff and volunteers and the generosity of those who donate auction items, serve as event sponsors, and come out to share in the fun, place their bids, and support our Fund a Scholar initiative. On behalf of the board, the administration, our teachers — and especially the students who benefit so greatly from a Potomac School education — thank you. Your support has made this important annual event a shining success.

I look forward to seeing you all at Potomac's 2023 Scholarship Auction on March 4. It's a pleasure and a privilege to share in this event with the members of our uniquely dedicated, engaged, and generous school community!

With gratitude,

Sameer Bhargava
Chair, Board of Trustees

DEAR POTOMAC FRIENDS & FAMILIES,

We are thrilled to welcome you to Potomac's 2023 Scholarship Auction – *Casino Royale!*

Your mission, should you choose to accept it: Help us make March 4, 2023 — a night of fun, friendship, and giving — an incredible success!

Each and every one of you is an integral component to the Auction, whether you are attending in person or supporting from afar, bringing our community together in support of Potomac's mission to prepare students for lives of purpose, achievement, and generosity of spirit. This mission is at the heart of Potomac and at the heart of the Auction. The funds raised provide invaluable support for student scholarships and faculty professional development, so we can continue to ensure that the full Potomac experience is an unparalleled education for our students and a caring, connected community for everyone.

On March 4, we will celebrate intrigue and mystery, invite all “secret agents” to try their hands at high-stakes games, and encourage you to raise your paddles high to fund Potomac Scholars! Come dressed for Monte Carlo, come incognito in your best spy disguise, or simply come as you are — **you** are critical to our mission's success!

We offer our heartfelt gratitude to everyone who has helped make this mission possible, especially the generous individuals and businesses who have donated items to this year's Auction, the many volunteers who have offered their time and creativity, and Christine Sharkey, Alexis Ellis, and the entire Advancement team, who have been unwavering in their support of the Auction and of the Potomac community.

With our deepest appreciation and excitement,

Janelle Nowak-Santo, Sarah Murphy Starr '99, and Hunter Weimer

Silent Auction Bidding and Live Auction Preview

OPENS FEBRUARY 21, 2023 AT NOON!

Potomac's auction website allows you to 1) bid on Silent Auction items, 2) preview Live Auction items, and 3) preview and bid on our Wine Auction.

Silent Auction

- ◆ The Silent Auction begins online on Tuesday, February 21, at noon. Bidding will continue until the start of the Live Auction, except for items that are purchased through the "Buy It Now" option.
- ◆ Again this year, the school is using Greater Giving's online platform for the Silent Auction. Please read the instructions below. You will create an account to bid on Silent Auction items through a browser on your home computer and/or mobile device.
- ◆ Please be advised that each item has a specified minimum starting bid and minimum incremental bid. Bidding for the Silent Auction will close prior to the start of the Live Auction at approximately 8:00 pm on March 4, 2023. Bidders will be alerted prior to the closing of the Silent Auction, including by way of a countdown. The person offering the highest bid for an item at the close of Silent Auction bidding will be deemed the winner of the item and will be notified through text and/or email.

Live Auction

- ◆ The Live Auction online preview begins on Tuesday, February 21. The preview provides the opportunity to see all of the items that will be available for bidding at the Live Auction on March 4. If you would like to place an absentee bid for a Live Auction item, email Christine Sharkey at csharkey@potomacschool.org by Thursday, March 2, at noon.
- ◆ The Live Auction will begin during dinner and will continue without interruption until all Live Auction items have been auctioned.
- ◆ Your bid paddle contains your personal bid number. A bid for the Live Auction is entered by raising your paddle and being recognized by the Auctioneer or their staff.
- ◆ Live Auction items are listed numerically in the catalog, and the Auctioneer will follow this sequence during the Live Auction.
- ◆ An acknowledged bid is a binding offer to purchase the applicable item(s). On the fall of the Auctioneer's gavel (or other notification by the Auctioneer), the highest bidder will be the purchaser of the item.
- ◆ In the event of a bid dispute, the Auctioneer will act as the final authority in determining the winning bid.
- ◆ All auction items are subject to applicable Covid-19 restrictions.

Auction Website Instructions

- ◆ If you would like to preview the items included in this year's auction, log on to Potomac's 2023 auction website: potomacs2023.ggo.bid. Click on the link on the main page for a preview. This page will become the Silent Auction bidding site when those portions of the Auction open on Tuesday, February 21, at noon. Potomac parents, grandparents, and friends will receive an email when the Silent Auction opens. This email will include instructions on how to bid as well as a registration link. Once you click the registration link in the email, you will be able to log in with your account information from prior events. If you are new to the system, you will be provided instructions for creating your account.
- ◆ If you do not receive an email when the Silent Auction opens, visit potomacs2023.ggo.bid. Once on the Auction page, click the green "Start Bidding" button and follow the prompts to either log in with an existing account or create a new account.
- ◆ Once you have an account, you will be able to bid on items. You can search for items by name or number using the magnifying glass, or by category under the menu on the left side of the page.
- ◆ When placing a bid, you have two options: select the next incremental bid amount or enter a larger amount. If you choose to bid more than the next incremental bid amount, you can set a maximum bid. In that case, the system automatically will bid in your favor up to your maximum bid, until either another bidder enters a higher bid amount or the Silent Auction, as applicable, closes. You will receive an email and/or text message alerting you if you have been outbid. To keep track of bidding activity for a particular item, select the star icon. To find packages with zero bids, click the "No Bids" category on the left side of the page. Please note that the Auction website is optimized for use on smartphones.

A

General

- ◆ When you arrive at the Spangler Center on the night of the event, please check in at the registration table. You will be assigned a bid number that you may use to bid on all Silent Auction and Live Auction items. This bid number functions as a legally binding signature for your bids at the Auction.
 - ◆ All sales are final. No exchanges or refunds on Auction items are permitted. All items are sold "as is." Please read specifications and restrictions carefully before placing a bid.
 - ◆ **Unless otherwise specified, all Auction items must be redeemed by March 4, 2024.** Dates and times are to be arranged at the mutual convenience of the donor and the winning bidder. We suggest that initial contact be made with the donor within 14 days of the Auction. If you are having difficulty contacting a donor, please notify Potomac's director of advancement events, Christine Sharkey, at (703) 749-6362 or csharkey@potomacschool.org.
 - ◆ Auction items are not transferable from the winning bidder to anyone else without the donor's express permission.
 - ◆ Payment may be made with cash, personal check (payable to Potomac School Auction), American Express, Visa, or MasterCard.
- Payment in full the evening of the Auction is required. A single statement is issued for each winning bid (including group purchases). Checks are preferred, as they maximize proceeds to the school.
- ◆ To the extent possible, the winning bidder should take home all items at the end of the evening. Any remaining items must be picked up from the Potomac School Advancement Office by 3:00 pm on Friday, April 7, 2023. Please contact the Advancement Office if you need assistance. It is the winning bidder's responsibility to arrange for delivery.
 - ◆ Consult your tax advisor regarding the deductibility or non-deductibility for tax purposes of specific items. In general, a tax deduction is permitted only if the price paid for an item exceeds its fair market value. Please contact Christine Sharkey (contact details above) for information on the fair market value of specific items.
 - ◆ By making a purchase, the winning bidder waives any claims for liability against either The Potomac School or the donor of the property or services. Neither the school nor the donor is responsible for any personal injuries or damage to property that may result from the use of property or services sold.

16 Fabulous “French v. American” Wine-Tasting Dinner for Eight in Your Home, Catered by Susan Gage

Back by popular demand! A gourmet meal will be prepared in your home and served to you and your seven guests, along with a customized selection of amazing French and American wines.

The theme of this evening is inspired by the landmark tasting in 1976 called the Judgement of Paris, in which French experts agreed that the California wines they tasted “blind” were better than their French counterparts. The result was a blot on French national pride and shocked the country’s wine industry.

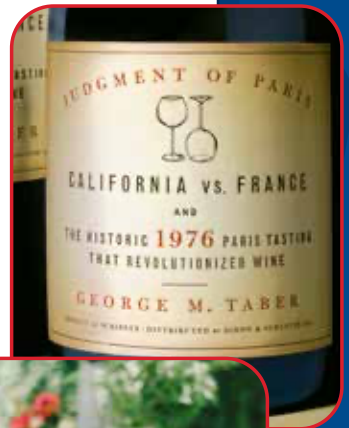

During the evening, you and seven guests will reenact the Judgement of Paris. Top-rated vintages from exceptional U.S. and French winemakers, including for example, Opus One, Insignia, Chateau Pontet-Canet, and Chateau Pavie, will be pitted against each other and you and your guests can decide which region is superior! The wine-tasting dinner will take place in your home, where you can relax as local favorite Susan Gage Caterers pampers you with a unique five-course tasting menu and excellent service. Our only request is that you “blind” taste and report your results. Will the Americans prevail again? Cheers and bon appétit!

Tax and gratuity not included. Event to be held on mutually agreeable date; not available on any Saturday night or between Thanksgiving and Christmas.

Golf Outing at Congressional Country Club with Potomac Parents Ryan Zimmerman, Shooter Starr, and Kevin Miller

See you at the 19th hole! The winning bidder and five guests will join Potomac parents Kevin Miller, Shooter Starr, and Ryan Zimmerman (former Washington Nationals player) for this unforgettable golf outing on the freshly redesigned and highly esteemed Blue Course at Congressional Country Club in Bethesda, Maryland. After the round of 18, kick back and enjoy drinks at Congressional’s famed clubhouse. Caddies are included to make your experience even more memorable.

According to *Golf Digest*, which named the new Blue its 2021 Best Transformation, the course is dynamic, modern, and architecturally relevant. Designer Andrew Green “kept the routing (though the 10th hole was altered) but everything else is different: new strategies, bunker arrangements, widths and textures. Holes that used to play through chutes of trees are now in open meadows, and Green worked hard to build topography back into the land that had been neutered over the course of previous renovations. The putting surfaces, formerly fronted with patterned bunkering and engineered not to offend, are a smorgasbord of levels, slope and contour. It’s a lot to sort out, but the golf is unquestionably more diverse, complex and exciting.”

The new Blue is already on the docket for seven PGA of America events, including the 2027 KPMG Women’s PGA Championships, 2031 PGA Championship, and the 2037 Ryder Cup.
