Principal's Message

Dear students and parents,

As principal of Tracy High School, it is my distinct honor to guide our students through the most important years of their education.

Follow Tracy High on Facebook at www.facebook.com/TracyHighSchool for school updates, events around campus and special announcements.

Do not miss the latest edition of our school newspaper, Scholar & Athlete, at www.tracyhighscholarandathlete.com.

Sincerely,

Jason Noll, Principal

School Mission Statement

It is the mission of Tracy High School to foster a positive, safe environment that prepares students to successfully navigate a global community using 21st-century skills.

School Vision Statement

Tracy High School consistently provides a safe and rigorous learning environment where our students' physical, emotional, and academic needs are met in preparation for a future of growth, prosperity and productive citizenship in a diverse and complex world.

About Our School

Established in 1912 as Tracy Joint Union High School, it is now one of three 9-12 comprehensive high schools in the Tracy Unified School District. The unification of the Tracy Elementary and Joint Union High School Districts became official in July 1997 and has created a K-12 district that is now one of the fastest growing in the state.

Tracy is situated in California's San Joaquin Valley between Stockton and Livermore on Highway 205, 60 miles due east of San Francisco. Within the past 15 years, many new single-family homes have been built in the area. The homes have been purchased mainly by middle- and upper-middle-income families employed in neighboring cities. This has caused a rapid change in demographics that has transformed Tracy from a small rural farming town to a diverse community with a population of more than 90,000 residents. A new high school opened in a neighboring town, which has caused our enrolment to drop by about 500 students. We have now stayed pretty even with 1,850 students.

Parental Involvement

Tracy High is a small community that needs to tap the resources and support the parents. Their life experiences, depth of knowledge, and even just their presence could change the environment in a positive manner for the students and staff. Tracy High offers many opportunities for parents. We welcome them to assist in the libraries; on class committees; at rallies, dances, and sporting events; as members of the school site council; as speakers on career day; and to be active in the education of their children by working with the teachers.

For more information on how to become involved at the school, please contact Lynne Holck, Principal's Secretary, at (209) 830-3360.

School Safety

The school safety plan is reviewed with the staff at the beginning of each school year. Fire exit routes are routinely checked and changed as necessary to have the students evacuated in the most efficient manner. Every year, fire, earthquake, and safety drills are practiced multiple times throughout the year. Safety issues and concerns are brought up periodically over the course of the year at staff meetings to keep the staff up to date on safety issues and new protocols that may be in place.

The school safety plan was last reviewed, updated and discussed with the school faculty in August 2022.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

District Vision Statement

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Sam Strube is the Director of Adult Education and Career Technical Education and in charge of CTE for TUSD.

All CTE courses follow the California CTE Model Curriculum Standards and the Academic Alignment Matrix found within. The Academic Alignment Matrix lists the English language arts standards, mathematics standards, science standards as well as social studies standards. This cross curricular matrix allows teachers to design hands-on learning experiences for ALL students that help them to make connections between CTE content and academic content. This in turn helps to support academic achievement in the other academic courses.

Career Technical Education Programs

Continued from page 5

THS provides activities that prepare special populations for high-skill, high-wage, or in-demand industry occupations in competitive, integrated settings that will lead to self-sufficiency.

Activities that take place after school in several Career and Technical Student Organizations (CTSOs) are an integral component to preparing students for high-skill, high-wage careers. CTSO's in TUSD include Skills USA, Family, Career and Community Leaders of America (FCCLA) and Future Farmers of America (FFA).

The Tracy Unified School District uses computer data, high school graduation rates among CTE students, as well as the Career Technical Education Completer Postsecondary Status Survey to survey CTE Completers.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021–22 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf/.

SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

Mathematics	*	22%	*	25%	*	33%

* Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out.

Percentage of graduates who completed all courses required for UC/CSU admission in 2020-21	45.53%

Types of Services Funded

About 55% of the district's income is spent on employee salaries, and 22% is spent on employee benefits. Books and supplies account for 9% of the district's spending, an additional 9% is dedicated to services and operating costs, 1% is used for capital outlay, and 2% is spent on another district outgo. Expenditures are expected to exceed revenues by approximately 8%.

All our K-3 classes comply with the California Class Size Reduction program limits. We offer a Bilingual Education and a GATE program at South/West Park Elementary School. We provide special programs at our high schools that include Agricultural Career Technical Education, a Space and Engineering Academy, a Medical and Health Services Academy.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2022-23 School Year
Items Inspected		Repair Status
Systems: Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)		Good
Interior: Interior surfaces (floors, ceilings, walls and window casings)		Good
Cleanliness: Pest/vermin control, overall cleanliness		Good
Electrical: Electrical systems		Good
Restrooms/fountains: Restrooms, sinks and drinking fountains		Good
Safety: Fire safety, emergency systems, hazardous materials		Good
Structural: Structural condition, roofs		Good
External: Windows/doors/gates/fences, playgrounds/school grounds		Good
Overall summary of facility conditions		Exemplary
Date of the most recent school site inspection		10/5/2022

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs		2022-23 School Year
Items Inspected	Deficiencies and Action Taken or Planned	Date of Action
Systems	FRP is ripped off wall in boys restroom. Work order submitted.	October 2022
External	Door top hinge plate broken, doors will not close. Work order submitted.	October 2022

School Facilities

The Tracy High campus has undergone major renovations. The campus is clean and organized and reflects pride of ownership by the students and faculty.

General

The Tracy Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public-School Construction. The results of his survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is more specific information on the condition of Tracy High School for the 2022-23 school year and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings

This school has 95 classrooms; an administration building; theater; cafeteria; kitchen; library; auto shop; girls' sub gym and locker rooms; a main gym; boys' sub gym, locker rooms and restroom; and storage buildings. The main campus was built in 1912 (the West Building built in 1912 was demolished in 2007).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Textbooks and Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and includes some site administrators, reviews the recommendation and then recommends instructional materials (IM) to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2022. The district chose its most recently adopted textbooks (K-5 history/social sciences) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). Tracy Unified School District (TUSD) is in the process of evaluating and selecting instructional materials for science in grades K-12.

Additions were constructed in 1939 (auto shop), 1949 (custodial room, classroom, storage room, lab auto shop, main gym, and boys' and girls' locker rooms), 1955 (ag shop, four classrooms, girls' sub gym), 1969 (I/A Complex, five classrooms), 1974 (boys' sub gym, theater and two classrooms added), the 1996-97 school year (redevelopment on theater, six classrooms, ag shop, main gym, sub gym, and boys' and girls' locker rooms), 2007-08 (new 40-classroom building), 2008-09 (modernization of science building and main gym), 2009-10 (modernization of industrial arts building and auto shop, reconstruction of cafeteria, addition of six classrooms, new construction of library with 19 classrooms), 2012-13 (demolition and reconstruction of the stadium and renovation of 12 relocatable classrooms) and 2013-14 (modernization of the EB Theater, ag building and weight room).

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state deferred maintenance contribution as well as the district's matching share contribution toward "any educational purpose." The district has elected to commit deferred maintenance funding to cover general fund expenditures.

Solar Project

Tracy High School and TUSD have joined together to install solar arrays in the D-loop and bus loop parking areas. Arrays were active as of August 2022.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfdash201.asp>.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsup-dflash201.asp>.

Financial Data

The financial data displayed in this SARC is from the 2020-21 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at www.cde.ca.gov/ds/fd/ec. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at www.cde.ca.gov/ds/fd/cs. To look up expenditures and salaries for a specific school district, see the Ed-Data website at www.ed-data.org.

District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.
