Principal's Message

Welcome to Duncan Russell Community Day School! Home of the Foxes!

Duncan Russell Community Day School offers students a smaller teacher-to-student ratio (20:1), allowing for individualized and small group instruction. Students enrolled in Duncan Russell Community Day School may come with deficiencies in their basic skills or need of systematic, intensive instruction to be successful in school. The curriculum we use stresses acquisition of basic skills in reading, language arts and mathematics. Additionally, we have added curriculum specifically addressing strategies for academic success.

The curriculum aligns with District Grade Level Standards of Achievement and required district courses. While acquiring remedial skills, instruction integrates subject areas, such as social studies, science and health. To deliver curriculum ensuring students' opportunities to master grade-level content, creative and hands-on methodologies are used thus creating a foundation by which they can be successful upon returning to comprehensive traditional schools.

Thank you for visiting the Duncan Russell Community Day School SARC.

Traci L Mitchell,
Principal

School Mission Statement

Duncan Russell Community Day School is an innovative, individualized and technologically progressive school site. We provide a blended model of direct instruction and online curriculum in a positive and safe learning environment. We emphasize communication and use of technology. We provide an opportunity for all students to overcome barriers through GRIT, to be productive in meeting tomorrow's challenges.

School Vision Statement

Duncan-Russell's students learn and perform to their fullest potential, respect themselves and others, and become responsible contributors to society.

Parental Involvement

Parents are welcomed at Duncan Russell Community Day School and invited to participate through a variety of experiences.

Parents are encouraged to participate in our school activities. Parents are on campus for conferences and meetings with their student's teachers. Parents take part in student intake and orientation meetings on campus.

At the orientation meeting, the school counselor and administrator emphasize the importance of parental involvement and support while their student is attending Duncan Russell Community Day School.

Parents are encouraged to contact their student's teachers via email, call to request a face-to-face meeting or a return phone call.

Parents are notified when their student is marked absent. Academic progress reports are sent home biweekly for parents to sign and have returned by their student.

The teacher contacts parents whenever any issue arises that may affect their student's success at Duncan Russell Community Day School.

For more information on how to become involved at the school, please contact Traci L. Mitchell, principal, at (209) 830-3395 ext. 8455.

School Safety

Duncan Russell has a comprehensive school emergency-response plan that includes annual training, fire drills, shelter-in-place, lockdown, earthquake procedures, student evacuation, emergency student release, and emergency communication and response.

Efforts to provide a safe school focuses on five key elements by:

1. Maintaining a safe school environment through campus supervision before and after school and during nutrition breaks; operating a closed campus; sustaining close contact with Tracy Probation, Tracy Resource Officers and with the district truancy officer.
2. Promoting teacher awareness of the disaster-preparedness plan, enforcing child-abuse reporting, inservicing on sexual-harassment policies and blood-borne pathogens, sharing suspension and transfer information with staff notification upon enrollment of a student with a dangerous background.
3. Holding new-student orientations; promoting; providing flexible scheduling and student recognition assemblies, and drug and alcohol education.
4. Inviting parents to Parent Conference Day. Personal phone calls about a child's absence, tardy or lack of progress. Analyzing parent's responses to school surveys.

School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

District Mission Statement

Tracy Unified School District prepares our diverse student population to be college and career ready for the 21st century by providing a quality-learning environment in safe, modern facilities equipped with the latest technological tools. Our culturally proficient world-class staff empowers students to reach their fullest potential and prepares students to solve real-world problems by utilizing best instructional practices and collaborating with the community, businesses and institutions of higher learning.

District Vision Statement

All students in Tracy Unified School District will become lifelong learners, responsible citizens, and leaders in the 21st century.

School Safety

Continued from page 3

5. Supporting student awareness through educating students about the district conduct code, dress code and sexual-harassment policy. Participating in Red Ribbon Day and anti-bullying activities. Providing referrals to community programs, and educational brochures.

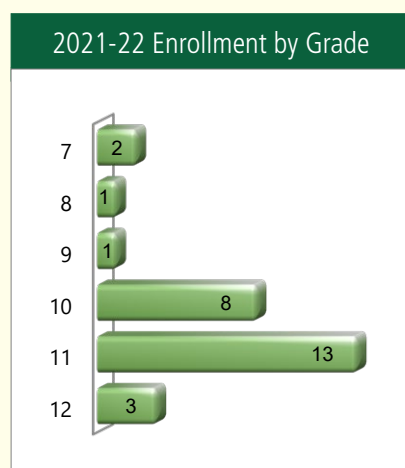

The school safety plan is reviewed, updated, and discussed with the school faculty and was last done in September 2022.

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table shows the school, district, and state suspension and expulsion rates collected between July through February, partial school year due to the COVID-19 pandemic.

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

Professional Development

For new teachers to the district, the Tracy Unified School District requires new teachers to participate in the Tracy Teacher Induction Program (TTIP). This involves six full days of pre-service and four days of follow-up during the year. At this time, teachers are introduced to the district and their site and receive training on classroom management, content organization and lesson design.

All activities are based on the California Standards for the Teaching Profession (CSTP). Throughout the year in TTIP, teachers are additionally supported in the classroom on a regular basis by a staff-development specialist. New teachers who qualify for the Beginning Teacher Support and Assessment (BTSA) program to clear their preliminary credentials will be assigned a BTSA Support Provider and will work through the modules of the Formative Assessment of California Teachers (FACT).

The district offers professional-development opportunities for all staff members throughout the school year. Two full days are provided before the school year starts.

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Types of Services Funded

About 55% of the district's income is spent on employee salaries, and 22% is spent on employee benefits. Books and supplies account for 9% of the district's spending, an additional 9% is dedicated to services and operating costs, 1% is used for capital outlay, and 2% is spent on another district outgo. Expenditures are expected to exceed revenues by approximately 8%.

All our K-3 classes comply with the California Class Size Reduction program limits. We offer a Bilingual Education and a GATE program at South/West Park Elementary School. We provide special programs at our high schools that include Agricultural Career Technical Education, a Space and Engineering Academy, a Medical and Health Services Academy.

Career Technical Education Programs

Duncan-Russell Community Day School does not offer Career technical education programs.

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Due to changes to the 2021-22 PFT administration, only participation results are required for the five fitness areas.

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

SARC Reporting in the 2020–21 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

The CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

CAASPP Test Results in Science for All Students (grades 5, 8 and high school)

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP – California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8, and once in high school (i.e., grade 10, 11 or 12).

Mathematics	*	0%	*	25%	*	33%

❖ Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

* Data for 2020–21 are not comparable to other year data due to the COVID-19 pandemic during the 2020–21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–21 school year to other school years.

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Graduation and Dropout Rates

This table displays the graduation and dropout rates for the most recent three-year period for which data is available. The four-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who form the adjusted cohort for the graduating class. From the beginning of grade 9 (or the earliest high school grade), students who are entering that grade for the first time form a cohort that is "adjusted" by adding any students who subsequently transfer into the cohort and subtracting any students who subsequently transfer out.

School Facilities

General

The Tracy Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility-survey instrument developed by the State of California Office of Public-School Construction. The results of this survey are available at the district office located at 1875 West Lowell Avenue in Tracy, California.

Below is specific information on the condition of Duncan-Russell Community Day School for the 2021-22 school year and the efforts made to ensure that students are provided with a clean, safe and functional learning environment.

Age of School/Buildings

Duncan-Russell Community Day School is on the Alternative Education School Campus in Tracy. The campus is host to Stein High School, Independent Study, Tracy Young Adult Program and Home Hospital.

Duncan Russell Community Day School is separated from the other programs on campus as per state education code. It has three classrooms, a library/lunchroom and administration building. This school is located on the main campus, which was built in 1960.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work-order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

In accordance with Chapter 12, Statutes of 2009 (SBX3 4), the district has elected to use the flexibility clause. The clause allows the district to use the state deferred maintenance contribution as well as the district's matching share contribution toward "any educational purpose." The district has elected to commit deferred maintenance funding to cover general fund expenditures.

Textbooks and Instructional Materials

Textbook-selection committee members are volunteers from each school site, balanced by grade band (K-2, 3-5, 6-8 and 9-12). They receive ongoing training in standards related to that content area before an adoption cycle begins. After extensive review and piloting, the textbook-selection committee members vote to recommend one text to the district's Curriculum Council. The council, which consists of members from each school site and includes some site administrators, reviews the recommendation and then recommends instructional materials (IM) to the school board.

Our most recent public hearing to adopt a resolution on the sufficiency of instructional materials was in September 2022. The district chose its most recently adopted textbooks (K-5 history/social sciences) using the state-approved list. The textbook content fits within the curriculum framework adopted by the California State Board of Education (SBE). Tracy Unified School District (TUSD) is in the process of evaluating and selecting instructional materials for science in grades K-12.

About Our School

Duncan-Russell Community Day School is an alternative education program that serves expelled students, students referred by the School Attendance Review Board (SARB) and the Back on Track Program for students that are struggling academically who need to learn essential study skills, as well as credit recovery.

Our goal is to assist at-risk youth to overcome academic and behavioral barriers that have hindered school success. Our Site-wide Learner Outcomes (SLO's) drives our purpose to build rigor, relevance and relationships. Duncan Russell's SLO's:

GRIND

- ✓ Working hard
- ✓ Goal setting
- ✓ Being consistent
- ✓ Having determination

RESILIENCE

- ✓ Ability to adapt
- ✓ Being Resourceful
- ✓ Demonstrating Perseverance
- ✓ Present (Mind and Body)

INVEST

- ✓ Your time
- ✓ With intensity
- ✓ Through practice
- ✓ And discipline

TRIUMPH

- ✓ Endured trials
- ✓ Gained confidence
- ✓ Credits earned
- ✓ Goals accomplished

Duncan Russell offers an academic program whereby students may earn credits equal to those earned in the comprehensive educational program. Our curriculum aligns with the state frameworks and district standards. Duncan Russell takes students at their academic level and provides appropriate instruction for achievement. At the same time, we strive to teach students to conduct themselves in a positive manner. We endeavor to provide a curriculum that challenges all students.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdfdash201.asp>.
