

D31 Presents:

Bullying or Normal Social Conflict?

Join award-winning author **CARRIE GOLDMAN** at 7:00 pm on April 25th to learn the difference between bullying and normal social conflict, and how best to respond to each.

TOPICS INCLUDE:

- *Tools to de-escalate conflict before it explodes.*
- *Strategies to prevent, intervene, and provide support in bullying situations.*
- *Groupthink: Help kids learn to resist the pressures of the group and act as an ally instead of a bystander.*
- Using emotional intelligence and empathy to guide how you treat other people (even if you dislike them or find them annoying).
