Our Schools: Osaka and Senri International Schools of Kwansei Gakuin are two sister schools situated in north Osaka that share a campus, purpose, and mission. Osaka International School (OIS) is a K-12 school of 270 students that offers the International Baccalaureate (IB) curriculum and Senri International School (SIS) has approximately 520 students following the Japanese middle and high school curriculum approved by the Japanese Ministry of Education. We were founded for the benefit of returnee, national, and international residents of the Kansai region, bringing together the best of Japanese and non-Japanese educational ideas, systems, and techniques. This enables OIS students and faculty to make authentic connections with Japanese culture and traditions, while SIS students and faculty experience a genuinely international environment unavailable at a regular Japanese school.
