

## CLASS OF 1980 ANNUAL SCHOLARSHIP

### WHAT:

Five hundred dollar one time scholarship paid directly to the post high school educational institution (including but not limited to technical/college/university) that the student will be attending.

### ABOUT

The Class of 1980 Scholarship will be presented each year to the graduating senior that is a hardworking, kind and thoughtful member of the community that has displayed a passion, interest or dream in any area during their high school years and plans to continue on that path post high school as they continue their education. This student has created their own path and not necessarily the path that has been traveled by many before them. The Class of 1980 Scholarship would recognize their efforts and encourage their continued quest in following their dreams toward success.
