Panther Pride Assembly Highlights

- *FIRST In MATH Awards
- *Our crossing guard, Mr. Staehle, retires!
- *Orchestra students perform

What is a Star Reader?

Students who read and record 25 books will be honored at our Monthly Panther Pride Assemblies! They receive a Star Reader necklace and will attend a special assembly at the end of the year!
Keep reading, friends!

First in Math

This is an online math practice in the form of games to enhance fact fluency, computational skills and critical thinking. Students earn "stickers" for math problems completed. We have a large bulletin board where we add student names to show their progress. We honor students reaching new levels. The classroom with the most points for the month gets the trophy!

Riddle:

Q: What has to be broken before it can be used? A: Egg

Effort Makes Champions
