

## EXTENDED LEARNING OPPORTUNITIES

It is the policy of the Governor Wentworth Regional School Board to allow extended learning opportunities to meet the diverse needs of Kingswood Regional High School students. It is the intent of the Board to improve student achievement in situations where regular classrooms are not practical or effective.

Such opportunities may provide credit or supplement regular academic courses. Credits may be granted for extended learning activities, including, but not limited to, independent study, private instruction, team sports, performing groups, internships, community services, and work study.

Additionally, credits may be granted to the successful completion of correspondence, online or virtual education courses. Where credit is not granted, such experiences may be used to fulfill prerequisite requirements for advanced courses. Students seeking credit for an ELO, or if participation in the ELO requires the student to be absent from school, an application must be filed with the High School Principal.

Generally, students or their parents/guardians shall be responsible for all related expenses including tuition, transportation and textbooks.
