Curriculum Goal Update

Feb. 1, 2023

Teaching and Learning Committee Progression

Introduction to Goal/Task

Futures Protocol

TLC team developed draft four phase curriculum development cycle

Feedback/Questions

All teachers were provided the draft document and the opportunity for feedback and/or questions

TLC drafted the Vision/Mission statements and refined the four phase guide to the curriculum cycle

Interim work until next meeting:

- Review refined department guide for curriculum cycle
- Review sample placement cycle for content areas

TLC will consider adoption of drafts

Formalize PD needs based on drafts

Documents to Guide Process

Current Revision Cycle 2022 - *Current document used for curriculum revision.*

Content Area Placement and Textbook Review Cycle (sample draft)

(Note this is a working draft and live document that is subject to change based on need/pacing over time).

Phases of Curriculum Development Process Guide - *To be used by content area teachers reviewing/developing curriculum.*

Forthcoming Tasks March- May 2023

- Create new district curriculum document combining Universal Design and new state Design Principles for unit development
- Develop standardized checklist to ensure all steps have been completed in the process by content developers
- Develop a centralized submission, adoption and storage process
- Map professional learning needs for TLC Committee and teaching staff
- Align professional development with calendar
- Inform departments of curriculum cycle standing and next steps

Questions/Comments

The TLC Committee will continue to meet monthly until the work is complete.
