RE-ENROLLMENT FOR THE 2023-2024 SCHOOL YEAR

On February 9, re-enrollment links will be sent out via email to current families.

- We strongly encourage all families to log in to their **SchoolAdmin** Parent Portal account BEFORE February 9. This ensures that you know your password and can access your account when the link is emailed to you.
- We ask that you complete your student's re-enrollment for next year before we open to new families on February 22.
- Tuition assistance applications for grants and scholarships will be available on February 9. You may access that link via our website or as an optional checklist item when completing your student's enrollment.
- It is best for you to utilize a personal computer or laptop to complete your student's enrollment. Mobile devices prove difficult in completing the tuition contract.
- **ATTENTION parents of high school students:** you must BOTH re-enroll your student for school AND register them for courses for the fall term.
- **ATTENTION parents of preschool students:** if you completed your *Intent to Enroll* in December, you must still complete your child's re-enrollment for next fall. Your student is not enrolled without all checklist items complete.

Any questions, please contact Jenni Struck, Director of Admission at admissions@ogknights.org or call 605-575-3358.
