

McGillis *taking flight*

Community

Demonstrate our commitment to care by nurturing, diversifying, deepening, and strengthening our community with respect to our values, mission, and purpose.

- Understand, educate, and grow our community through the lens of diversity, equity, and inclusion.
- Develop a comprehensive communications plan to communicate within and beyond our community.
- Create and expand community partnerships that enhance and provide learning experiences for students and faculty.
- Develop a strategic approach to ideal enrollment comprising a student body that reflects our Mission and Values.

Program

Build upon an academic program that has its foundation in our values and incorporates innovative, engaging, and rigorous approaches for all of our learners.

- Articulate our educational identity, which incorporates our Jewish values.
- Define what success and progress looks like academically, socially, ethically, and emotionally.
- Create methods to collect qualitative and quantitative metrics that provide a deeper understanding of the evolution of our program.
- Create a value proposition for our program by clearly stating our philosophy of teaching to include Portrait of a Learner.

Resources

Generate the resources required to assure the sustainability of the School.

- Develop resources, practices, and experiences that attract and retain highly qualified, motivated, and innovative faculty and demonstrate the value of working at McGillis.
- Evaluate the capacities of current facilities and develop a campus master plan that is aligned with our program and philosophy.
- Design for future financial sustainability to support our community's goals while increasing diversity.
