

February 2, 2023

Dear GSA Families:

This is a quick but important reminder with the severe cold coming tomorrow to please be certain your child comes to school with proper warm clothing: a hat, gloves or mittens, a good coat, socks, proper footwear. Adolescents do not always make the best decisions about these sorts of things, and we have had students at school who are properly attired as far as our dress code goes but are underdressed for the weather.

GSA students must go outside to pass from building to building, so it is very important, especially tomorrow, that they have minimal exposed skin and are warmly dressed. Given the deep cold and high winds that are forecast, even a few minutes outdoors could be dangerous.

If you know of anyone who is in need of a warming center, St. Francis by the Sea Episcopal Church will be open from Friday afternoon until Sunday afternoon. There may be other locations available on the peninsula as well, but this is the one I know about for certain.

The First Congregational Church in Blue Hill has winter clothing available for free for anyone who needs something.

Stay warm!

Tim Seeley  
Head of School
