Meet Hayley Clark

The Student Financial Aid Office is pleased to introduce our new Financial Aid Counselor, Hayley Clark, to the LSU Health Shreveport family.

She lives in Bossier City with her husband and three young children. Although her life is full of chaos and joy, Hayley always finds time to fulfill her passion of encouraging others to reach their goals. She believes no one should ever be limited by their race, gender, financial background, or history in pursuit of their personal and academic goals. She is thrilled to be a part of LSU Health Shreveport with hopes to aid students by educating and simplifying the costs of attendance so they can focus on what is most important — achieving their dream!
