

January 31, 2023

Dear Eighth/Ninth Grade Student,

The National Junior Honor Society (NJHS) provides students in the 8th and 9th grade with the opportunity to earn recognition for their academic excellence, good character, and leadership abilities.

After the report cards for the first semester are emailed, in late January of 2023, an email will be sent to all students who qualify with calculated Grade Point Averages (GPA's.) NJHS membership is by invitation to those 8th and 9th grade students who achieve a 3.75 GPA or higher.

In conformance with national procedures, students are asked to submit an application that describes co-curricular activities, leadership positions, community activities, and any job experience/recognitions/awards. We suggest that if you think that NJHS is something that you may qualify for, please begin performing service hours, if you have not done so already.

Current members of the NJHS must also complete the appropriate service documentation. Therefore, it is important to begin recording the necessary service hours now and report in the X2Vol site, which along with the NJHS requirements may be found on the NJHS Moodle page or through the Parent Portal. See the Guidelines for Membership on the Honor Societies web page, found on the Parent Portal, along with the National Junior Honor Society Pillars for your convenience.

Please do not send any documentation until you receive the invitation to apply to join the NJHS.

If you have any questions, you may contact Mrs. LaGumina or Mrs. Freeman at their emails listed below.

Thank you,

Mrs. LaGumina
