Students who see themselves wanting to make an impact on others by learning American Sign Language to become a translator will want to pursue a career in the Education and Training cluster. Becoming proficient in American Sign Language strengthens cognitive function and reasoning, increases memory, attention span, creativity and communication skills. This cluster focuses on developing a strong appreciation for deaf culture and promotes understanding and acceptance of the language.

This Program of Study can serve as an educational and career guide as you continue down the career path right for you! Courses listed are only recommended courses and should be individualized for your specific educational and career goals in accordance with your school district's graduation requirements and High School and Beyond Plan.

*Eligible for Columbia Basin College CTE Dual Credit

GRADUATION PATHWAY

The CTE Course Sequence is one of the Washington State Graduation Pathway options students may use to meet their Grad Pathway requirement. Students who complete 2 credits of courses within the same CTE program area will meet this graduation requirement, as long as the following is met:

- one course leads to a state or nationally recognized certificate or credential, or offers dual credit through CTE Dual Credit or Advanced Placement.
- Sequence is relevant to the student's post-secondary goals, as outlined in their High School and Beyond Plan.

For more information on the CTE Graduation Pathway, see your high school counselor.
