**SAS Program Commitment.** Parents/guardians will agree and affirm during online enrollment or reenrollment:

- Affirm understanding that the Educational Therapy is not a quick solution to the learning difficulty of the student.
- Affirm understanding of the program’s goal for the student and belief in its basic philosophy.
- Agree that continuing with SAS Educational Therapy participation is a commitment to the education of the student.
- Agree that if participation in SAS Educational Therapy is a condition of the student’s enrollment at Bellevue Christian School, the student must remain enrolled in the SAS program in order to be an enrolled student at the school. (If in doubt whether your student’s SAS enrollment is a condition of school enrollment, contact the SAS director to confirm.)
- Affirm understanding that for the student to reach the goals described in the therapy program it may take a minimum of two to three years or more, depending on the learning needs of the student.
- Affirm understanding that the student will receive SAS testing at the end of the school year and that the student’s therapist and/or the SAS director will communicate the test results to parent/guardian, at which time an updated academic plan will be determined for the following school year.
- I/we understand and agree that responsibility to pay tuition is not based on my/our student's academic success.

**Force Majeure.** In the event of school closure beyond the school’s control, the School’s duties and obligations will be postponed until such time as the School, in its sole discretion, may safely reopen and/or comply with its duties and obligations. A full description is provided in the online enrollment process.

**Separation from School; Payment Policy.** Family will have at least 80% of annual SAS tuition responsibility. BCS makes employment commitments to therapists and orders supplies based on the student’s participation in this program. Unless modified or cancelled in writing by the SAS office after end-of-year or end-of-semester testing, parents/guardians agree to tuition responsibility of at least 80% of annual tuition based on the student’s calculated number of sessions.
