## Eastview High School: Class of 2027 Freshman Registration Worksheet

The school year at Eastview is divided into four nine-week quarters, with seven periods per day. Students have the opportunity to **select up to 28 quarter courses** during the registration process ( $4 \text{ quarters} \times 7 \text{ periods per quarter} = 28 \text{ courses}$ ). Each quarter course earns .75 credit (so successful completion of a year-long course earns  $.75 \times 4 = 3 \text{ credits}$  toward graduation). Ninth grade students must select a minimum of 24 courses; study halls will be assigned for remaining open periods. Actual placement of courses (including study halls) will be determined during the scheduling process.

### What courses should I take?

Use this worksheet to guide your selection process. Full-year required core courses (English, Social Studies, Mathematics and Science) are listed first on page 2; choose one sequence in each category and select all four quarter courses (A/B/C/D) to meet the full-year requirement. Required PE/Wellness/Safety Ed courses are listed next. Elective choices follow, with full-year courses first (World Languages, Choir and Band), and quarter electives at the end. Some elective courses can be found in multiple departments. Courses with pre-requisites and other recommendations are identified with an “\*”; complete descriptions and additional details can be found online at [evhs.district196.org/academics/registration](http://evhs.district196.org/academics/registration).

<b><u>English Language Arts</u></b> (4 quarter courses in grade 9)	English 9 A/B/C/D -or- Honors English 9 A/B/C/D	Consider current grades, GPA, MCA and other standardized test scores, along with other personal factors (i.e. co-curriculars, community involvement, motivation, preparation, skills and habits, etc.) when determining which level of courses to select. Typically, students with As in middle school (and scores in the 85% and above on MCA tests) are best-suited for <a href="#">honors-level courses</a> . Consult with your middle school teachers to help determine the best course for you. NOTE: English and Social Studies are teamed together in ninth grade; students take both on-level courses or both honors courses.
