Walk-A-Thon

Thank you to the wonderful parents and staff who organized our annual Walk-A-Thon. The students had an absolute blast. I was amazed with the wonderful turnout of parents, grandparents, friends, and others who were there to cheer on our students at Memory Grove.

If you haven't turned in your donation envelop please do so. We are still accepting online donations.

Our goal is to raise \$20,000 and we are over half-way there. Great job everyone!

Pick-Up Safety

Please remember to follow all safety protocols during our afternoon pick-up.

We have had a couple close calls with students darting between parked cars.

Thanks for slowing down and keeping everyone safe.
