## Student Progress

Please make sure to review your student's progress with them as the first quarter comes to an end. Everyone is working so hard.

Last year our school demonstrated tremendous academic growth among all students and I know we can show that same growth again this year.

The OC is an amazing school that cares about the whole child and it definitely shows! Thanks for your support!!!

## Thank You

Thank you to all the teachers, staff, and parents who worked so hard to make our Halloween celebrations spook-tacular. I loved watching the flash mob and seeing all the fun costumes. What a wonderful and crazy day!

What a wonderful and wacky time we have had at the OC the last couple of weeks.

We hope you have enjoyed the many field trips, parties, and activities.

We are grateful for the opportunity we have to provide students with these amazing extensions of their learning.
