Excellent Attendance

Being in school on time every day means your child won't miss out on learning. Try to schedule appointments and family trips outside of school hours. If your child asks to stay home "just because," remind them of what they will miss, such as reading group, PE class, or art. Explain they can only be absent when they are sick or for a family emergency. We appreciate your support in getting your children to school on time each day.

Classes will walk and participate in fitness activities during the day. This fundraiser provides money to support sports, field trips, technology, and many more extras.

Kids can ask aunts, uncles, neighbors, grandparents, for donations of spare change, extra dollars, or a check made out to "Salt Lake Education Foundation" Donations can also be made on our website using a credit card.

We are encouraging parents, family, and friends to either walk with us, or meet us, at Memory Grove to cheer on or join all of our students as they participate in these activities.

Conversations about school!

Parent or guardian involvement is more than volunteering in classrooms. That's a great way to help and part of what makes OC amazing. But, did you know, research shows supporting your child's education at home is even more important? Here are 4 conversations that will help you stay involved.

1. Let's see what you brought home.
2. Show me what you have for homework.
3. Describe a book you enjoyed today
4. Tell me what you learned that you'd like to know more about.
