

McKevett Elementary - Intervention Services

Never stop learning, because life never stops teaching -- Buddha

General Education

- Universal Screener is administered monthly to all students.
- Core Curriculum taught with fidelity in the regular classroom setting.
- Students receive additional support daily during Universal Access Time.

Reading Intervention

- Students who are performing 1 - 2 years below grade level receive reading instruction in a separate setting for 30 minutes daily. Progress is evaluated in 8-9 weeks to determine if the student is still in need of Reading Intervention.

After School Intervention

- Small Group Target Intervention - Space is Limited
- Layola Marimont Journalism Class

SCIP Meeting - Student Collaborative Intervention Planning

- Meetings are scheduled with a team of teachers and the parent to develop a plan to assist the student in making progress. Student progress is monitored and follow up meetings are scheduled every 8 weeks until no longer needed.

Special Education Services

- Resource Program - Pull out service for K-5.
- Special Day Class - Self contained class for 3rd - 5th grade.
- Speech Services - Pull out service for K- 5.
- Occupational Therapy - Pull out service for K - 5.

Other Activities

- ASPIRE - After School Program for Instruction, Recreation, and Enrichment
- STAR Nova - Enrichment Classes
- Technology Club - 5th Grade Only
- Counseling Services - Available for students in K - 5.

If you have any questions or if you would like more information regarding any of these services, please contact your child's teacher.
