Look for the bin on the southwest corner of the south parking lot. **Planet Aid** accepts clothing, shoes, and other textiles (for example, bedding, towels, and curtains). This means that there is no need to separate items based on their condition. Even items that are stained, torn, or frayed can be recycled, so drop off your worn-out items, too! The only articles of clothing we cannot accept are those that are dirty, wet, or moldy. Our school will receive \$\$\$ and other rewards for items you no longer need and PLANET AID can recycle them into items we DO need!

Good Citizen trait:

Fairness

Here's your heart
fact of the day:

Did you know ... A can of cola has 40 grams of sugar? Water has 0 grams. Remember... sweetened drinks have no nutritional benefit and are not good for your health.

National School Counseling Week is Feb. 6-10, 2023. The purpose of this week is to focus public attention on the unique contribution of school counselors within U.S. school systems. National School Counseling Week, sponsored by the American School Counselor Association, highlights the tremendous impact school counselors can have in helping students achieve school success and plan for a career. National School Counseling Week is always celebrated the first full week in February.

Our 3-5 school counselor, Mrs. Lingrell, would like to take this opportunity to remind you to please reach out to her with any social, emotional, and/or academic concerns at gina.lingrell@urbanacityschools.org or (937) 653 -1453, ext 2119.

Our lost and found is growing by the day. Please be sure to check the lost and found, located in the dining commons during Parent/Teacher Conferences.

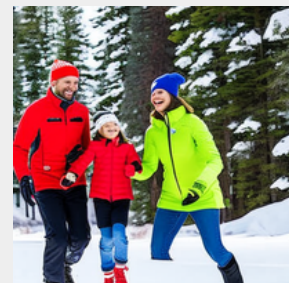

Family Fun in February

February is the month of love and there are so many creative ways to enjoy family fun in February. Of course, there are plenty of ways to show love to your family this month as we celebrate Valentine's Day but I have so many more ideas to keep having fun even after the day of hearts has passed. The seasonal qualities of February are similar to the ones that made January so special: It's dark. It's cold. And sometimes, if you are lucky, it is white.

Take some time this month to have some fun and connect as a family. To make it a bit easier for you, I've compiled a list of ways you can make some family memories this month.

1. Go sledding – be a kid again and join in the fun.
 2. Make Snow Ice Cream – [need a recipe?](#) It's quick, easy, and delicious.
 3. Read a Snowy Evening Poem – enjoy this favorite poem by Robert Frost in a beautifully illustrated version for kids. Be sure to find the hidden creatures in the illustrations on every page.
 5. Make a Snowman – or be creative and make a snow pet
 6. Have an indoor picnic – spread a blanket on the floor and enjoy lunch together. You can bring along a picnic basket or just bring your lunch plates to the floor.
 7. Build a Fort –it's a great month to make forts out of blankets.
 8. Play with Flashlights – they are perfect for reading in the dark with your flashlights!
