PRINCIPAL'S MESSAGE

On behalf of myself and the entire Will Rogers staff, I would like to welcome you and your children to the 2022-2023 school year. Our excellent teachers, support staff, and I want to ensure that every child succeeds at the highest levels. Our goal is to support and encourage each child in becoming high-achieving, curious, respectful young scholars as they prepare for success in today's global world by achieving academic success through biliteracy, technology, and environmental stewardship. The Will Rogers community will prepare bilingual scholars to meet the global, technological, and environmental challenges of our planet Earth.

Being actively involved in your child's education is essential to developing a strong partnership between home and school. Together, we promote a positive, stimulating, and supportive learning environment that helps all children to succeed. We are a school where everyone shares in the responsibility for the success of our young scholars. We welcome your input and feedback. Always feel free to communicate with your child's teacher, me, or any other staff member.

Here's to a strong year of partnership, community building, inclusion, and a commitment to each of our amazing Will Rogers students.

Achieving academic success through biliteracy, technology and environmental stewardship.

District Vision Statement

In the Ventura Unified School District all students will receive an exemplary and balanced education fostering a lifelong passion for learning and engagement. We demand excellence of ourselves because our supportive community has entrusted us with their children.

District Mission Statement

The Ventura Unified School District will educate all students in safe, healthy, and high performing schools. We will inspire all students to excel academically, honor the unique qualities and diverse backgrounds of all students, build supportive relationships, guide all students to reach their full potential, motivate all students to successfully pursue their chosen life path, and engage all students to become responsible and contributing members of society.

DISTRICT & SCHOOL DESCRIPTION

Ventura Unified School District

Ventura Unified School District is the third largest district in the county and located on the California coastline, 63 miles northwest of Los Angeles. More than 16,000 students in grades transitional kindergarten through twelve receive a rigorous, standards-based curriculum from dedicated and highly qualified professionals. The district is comprised of 17 elementary schools, 4 middle schools, and 5 high schools.

Will Rogers Elementary School

Will Rogers serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2021-22 school year, 436 students were enrolled, including 7.3% in special education, 39.7% qualifying for English Language Learner support, 3.4% homeless, 0.2% foster youth, 0.7% migrant, and 61.9% qualifying for free or reduced price lunch. Strong ties between school staff, the community, and students strengthen Will Rogers' efforts to offer a standards-based curriculum fostering academic success.

Will Rogers is a fully implemented Two Way Immersion Program. English-speaking and Spanish-speaking students are combined in each classroom to receive daily instruction in both English and Spanish. The over-arching goals of the program are to promote bilingual and bi-literate competence for students. Details about the Two Way Immersion Program and dates for new parent information tours are available in the school office. Orientation for interested families is offered throughout the school year; orientation dates are available on the school website at (www.venturausd.org/willrogers/pages/twi_about.html).

Will Rogers' campus hosts the Jumpstart preschool program which provides bilingual (English and Spanish) literacy, mathematics, and school readiness curricula. Kindergarten teachers praise its success in promoting students who are better prepared for kindergarten.

After-school day care is available on campus through the After School Education and Safety (ASES) program through the district office.

LOCAL CONTROL ACCOUNTABILITY PLAN (LCAP)

As part of the Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP).

The SARC provides the following information relevant to the State priority: Basic (Priority 1)

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- School facilities are maintained in good repair

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4)

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical sequences or programs of student.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8)

- Pupil outcomes in the subject area of physical education

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3)

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5)

- High school dropout rates; and
- High school graduation rates

The SARC provides the following information relevant to the State priority: School Climate (Priority 6)

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

PARENT INVOLVEMENT

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through automated phone messages, Google calendars, the school website, school marquee, weekly classroom reports, PTA Facebook page, and informal flyers. Contact the principal at (805) 641-5496 ext. 1012 for more information on how to become involved in your child's learning environment.

Note: Due to changes to the 2021-22 Physical Fitness Test administration, only participation results are required for these five fitness areas.

Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

STUDENT ACHIEVEMENT

California Assessment of Student Performance and Progress (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Will Rogers Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and State results can be found at the CDE's website www.cde.ca.gov/ta/tg/pf/.

Mathematics	N/A	26	N/A	35	N/A	33

Note: The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA & Mathematics test results include the Smarter Balanced Summative Assessment and the CAAA.

The "Percent Met and Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e. achieved Level 3 - Alternate) on the CAA's divided by the total number of students who participated in both assessments.

SCHOOL FACILITIES & MAINTENANCE

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Will Rogers' original facilities were built in 1938; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. During the 2021-22 and 2022-23 school years, the following campus improvements were scheduled to occur:

2021-22 Campus Improvements:

- New teacher furniture in all classrooms
- Additional outdoor furniture & umbrellas installed

2021-22 Campus Improvements:

- Addition of new cafeteria furniture

Every morning before school begins, the day custodian and the principal inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians (one full-time and one part-time) are assigned to Will Rogers. The day custodian is responsible for:

- Cafeteria Setup/Cleanup
- Office Areas
- Restrooms
- General Cleaning & Custodial Functions

Restrooms are checked every hour throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classrooms
- Restrooms

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Facilities Inspections

The district's maintenance department inspects Will Rogers on an annual basis in accordance with Education Code §17592.72(c)(1). Will Rogers uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on September 26, 2022. During fiscal year 2021-22, all restrooms were fully functional and available for student use at the time of the inspection.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Will Rogers in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most recent school safety plan was reviewed, updated, and shared with school staff in December 2022.

Campus culture promotes a secure learning environment. All persons are to be treated with dignity and respect. The district, schools, students, parents/guardians and community have an obligation to promote mutual respect and safe, harmonious relations that support dignity and equality. Bullying and harassment are not tolerated. The school district has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as processes and procedures to address incidents of bullying and harassment when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal, assigned teachers and campus safety assistants are strategically assigned to designated areas to supervise students. During recess, the principal and campus safety assistants monitor playground activity. The principal, recess teachers, and campus safety assistants monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, teachers, and campus safety assistants are in designated areas to ensure a safe and orderly departure.

Will Rogers is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

CLASSROOM ENVIRONMENT

Discipline & Climate for Learning

Will Rogers' discipline policies are based upon a schoolwide positive behavior management plan, which is used as a guide to develop school rules and minimize classroom disruptions. Teachers follow the Second Step curriculum social-emotional strategies model to define, infuse, and reinforce life skills which promote self-control, responsibility, respect, and good citizenship. Will Rogers Elementary has implemented Second Step schoolwide; teachers use Second Step to establish positive behavior expectations for all grade levels.

Teachers clearly identify and explain behavior expectations to their students and discuss consequences for poor or disruptive behavior in the classroom. The principal visits each

The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Data collected during the 2020-2021 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Chronic Absenteeism

The chart in this report identifies the chronic absenteeism rates by student group for Will Rogers Elementary School for the 2021-22 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

CURRICULUM & INSTRUCTION

Staff Development

All professional development activities at Ventura Unified School District are aligned to the California State Standards. Staff development concentrations are selected and identified based on State Standards implementation, the new science standards, teacher surveys, and district initiatives. Findings from formative assessment results indicate that reading, writing, and mathematics are the primary focus areas.

During the 2020-21, 2021-22, and 2022-23 school years, the teachers at Will Rogers Elementary School had the opportunity to participate in districtwide staff development training focused on:

2020-21 Trainings:

- Behavior Team's Role during Distance Learning (Special Education)
- Canvas Basics & Gradebook
- Distance Learning Plans
- Elementary Resource
- English Learner Support and Review and ELPAC
- Facilitated Canvas Course Customization Support (Special Education)
- GATE Icons
- Google Basics
- Grade Level Meetings with District Lesson Builders
- Paraeducator Role during Distance Learning
- Positive Behavioral Interventions & Supports
- Screen Casting with Screencastify
- Sunday Reading
- Video Conferencing
- Utilizing Behavioral Strategies from the Family Guide to Distance Learning
- Zoom and Google Meet Videoconferencing

2021-22 Trainings:

- Bridges Math Intervention
- Benchmark & Math Expressions
- Implicit Bias
- Number Corner Refresher (Kinder)
- NGSS Curriculum Training
- Canvas

2022-23 Trainings:

- Active Assailant
- Behavior Management Strategies
- Bully Prevention
- CHAMPS Overview
- Digital Creations for the Classroom - Using Google Apps and Extensions to Enhance Student Engagement
- Digital Platforms (Let's Take a Tech Trip)

- Ellevation Training
- ELPAC Strategies
- Ethnic and Social Justice Studies
- Expanded Learning Training
- Indian Ed Curriculum Training
- Inspire Science
- Leader in Me Training
- Lexia English
- Mandated Reporter
- Multi-Disciplinary Training for Supporting Multilingual Learners with Disabilities
- Scholastic Curriculum Training (TK)
- SIRAS and Case Management
- Social and Emotional Learning: Community Circles
- Social Studies Training
- SPARK Training
- Trauma Informed Practices
- Suicide Prevention

Supplemental site-based training takes place during faculty, grade level, and department meetings. The principal identifies teacher training needs based upon parent survey results, teacher input, teacher evaluations, and the Healthy Kids Survey. During the 2021-22 school year, Will Rogers Elementary School's staff development activities concentrated on:

- Response to Intervention
- Daily Five
- MAP Assessment Training
- Theme Based Units
- Visible Thinking
- Developing Mathematical Ideas
- Technology Training
- Social Emotional Learning (Second Step)
- Two-Way Immersion

The district also offers supplemental professional development to follow up and support year-round and ongoing programs centered around reading, writing, and math and tied to either specific strategies to improve student learning or district-adopted curriculum materials. Supplemental professional development is offered throughout the school year on early student release days, after school, on designated staff development days, and during substitute release time. Teacher Content Specialist Teams work with school site administrators and teaching staff to provide support and training to ensure the successful implementation of the Common Core Standards.

The Ventura County Teacher Induction Consortium is a two-year, individualized, job-embedded system of mentoring, support and professional learning that begins in the teacher's first year of teaching for newly credentialed teachers in California. The program is accredited by the Commission on Teacher Credentialing (CTC) and is administered by the Ventura County Office of Education (VCOE), Educator Support and Effectiveness (ESE) department, in coordination with a consortium of 18 school districts, local charter schools, private schools, and 5 university partners.

Staff members are encouraged to attend professional workshops and conferences. New teachers, experienced teachers, mentor/teacher leaders, administrators, and support staff are encouraged to participate in workshops sponsored by the Ventura County Superintendent of Schools as well as the Ventura Unified School District. Profession and subject specific offerings are consistent with the California Content Standards. Classified support staff may receive job-related training from district representatives; training activities and workshops are designed to enhance and extend job performance.

Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials for K-8 are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education, and instructional materials for 9-12 are aligned to state standards and approved by the district's board of education.

Ventura Unified School District is currently piloting History-Social Science curriculum in the 2022-23 school year with adoption and implementation anticipated for the 2022-2023 school year. Currently, supplemental bridge materials are being used to support the implementation of the new History-Social Science state framework.

On October 11, 2022, the Ventura Unified School District Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution #22-40 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English Learners, in the district to the extent that each pupil, including English Learners, has a standards-aligned textbook and/or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, (2) that all students who are enrolled in the same course within the district have standards-aligned textbooks or instructional materials from the same adoption cycle, (3) sufficient textbooks and instructional materials were provided to each student, including English Learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/Language Arts, including the English Language Development component of an adopted program, (4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and 5) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2022-23 school year, Ventura Unified School District provided each student, including English Learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

PROFESSIONAL STAFF

Counseling & Support Staff

Will Rogers provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Will Rogers' students.

Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Teacher Preparation and Credentials

The charts below identify the number of teachers at Will Rogers Elementary School, Ventura Unified School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Will Rogers Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

Note: The 2021-22 teacher information will be updated once CDE releases the information for this school year.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

SARC DATA

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Will Rogers Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Ventura Unified School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials sections and the school facilities section was acquired in December 2022.

DISTRICT EXPENDITURES

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2020-21 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2020-21 school year, Ventura Unified School District spent an average of \$12,634 of total general funds to educate each student (based on 2020-21 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding expenditures and salaries can be found at the CDE web site at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the following table reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)
