Upper Adams School Board "Metrics"

- We value the student experience, from the academic program to the opportunities to get involved outside the classroom, as a critical component to learning. We want to protect these student opportunities and work not to eliminate programs.

- We value the people in our organization. They help to make us a great school district. We want to protect jobs and not lay off employees.

- We value the community that pays for our people and student experiences. We work to maintain quality programs that are affordable to our community.

Budget Presentation

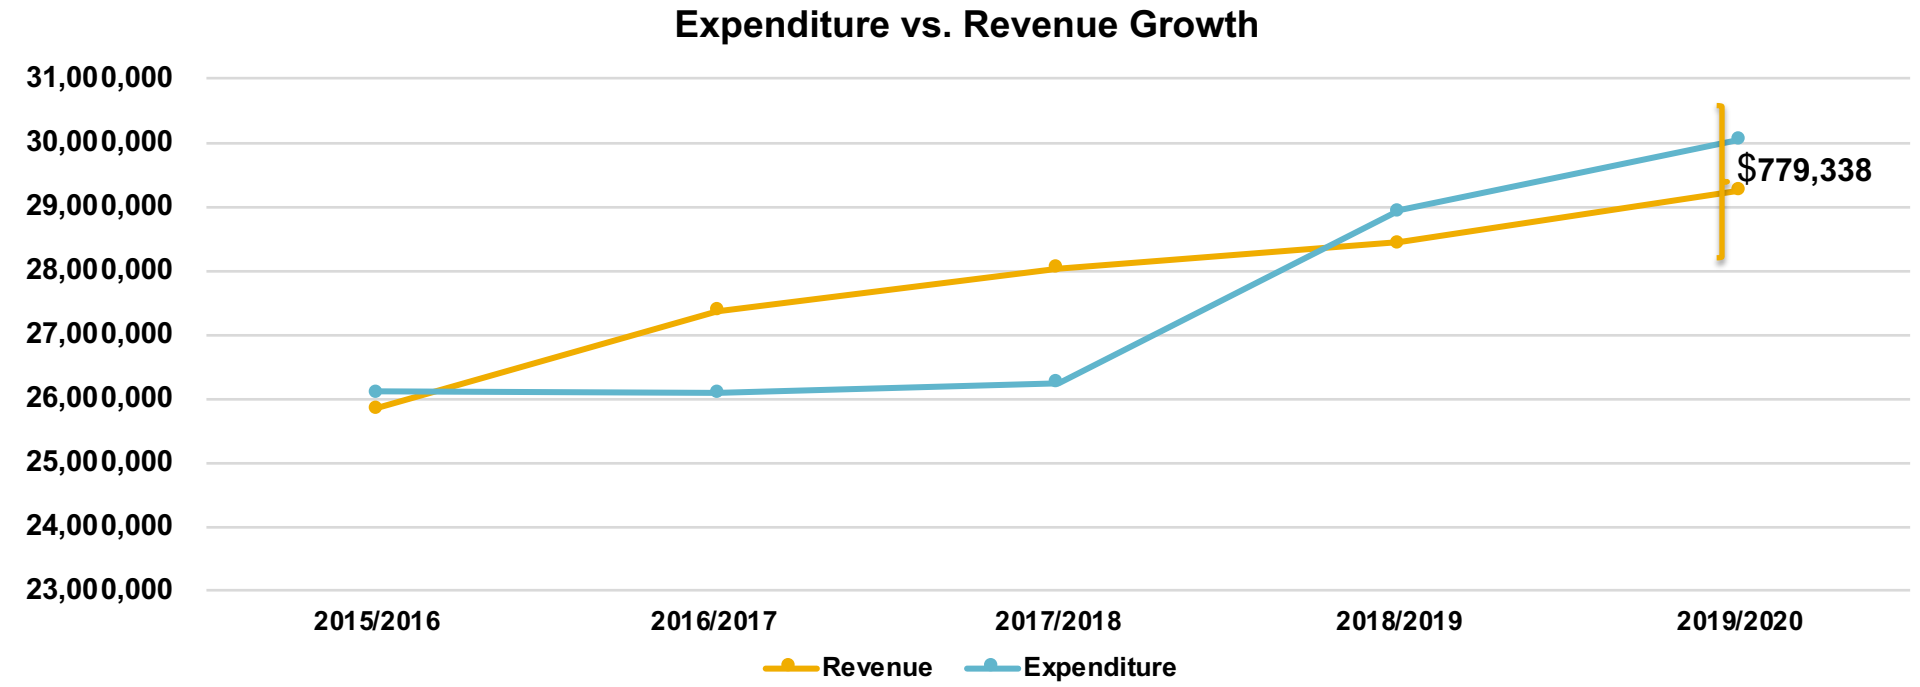

- Where we are to date
- Review of rationale for new positions and expenditures
- Discussion on what new expenditures to consider
- Discussion on amount of tax increase value of 0% - 3.2%
- Discussions covering utilization of unassigned fund balance and PSERS assignment.

- Goal for the evening ~ a consensus on expenditures, fund balance utilization, and a tax increase, if any. Consensus needed so that any revisions can be done for the required budget posting for 30 days under Act 1.

Background on Process

- UASD Budget Timeline presented
- Previous Budget Factors were considered with multiple steps & factors toward balancing the budget
- The Administrator's Budget Request, "Budget Impact Items" and Administrator Meetings
- Act 1 Resolution implemented November 2018
- Act 1 Index at 2.3%, UASD Adjusted Index at 3.2%

A Proposed Preliminary Budget May 2019

While the State Basic Subsidy has declined more than a decade, it is anticipated to see small growth toward the future where funding is tied to enrollment.
Perhaps received funds for 2017-2018 will be the beginning of the new funding formula
