Initial Emissions Inspector Certification

E.E.I.C. Classroom training, a CBT challenge and a proctored exam are required for a student to certify as an emissions inspector. Before coming to class the student must purchase a training manual, a CBT challenge and on-line exam from the training provider at www.patrainingportal.com. Students are encouraged to print out material and bring it with them to class. The training includes the CBT challenge and proctored exam. There are 50 questions per exam; the student will have 75 minutes to complete the exam. The student will be responsible for classroom training fees paid directly to the school.

Students must hold valid driver's license and must be at least 18 years old. Students must bring driver's license and proof of Penn Dot's online registration, along with their password and ID that Penn Dot gives them via the portal.
