For any family, for whom the above rates seem unaffordable, the school offers a **Flexible Tuition Program**, which assigns an individualized tuition rate, which, for the 2023-2024 school year, will range from \$2,471 to \$16,475. The program is based upon documented need, and award amounts may vary from year to year based upon the number of qualifying families, their need, and available funds. Parents must apply for flexible tuition on an annual basis. Flexible Tuition Forms may be found on our website under Admissions/Affording SJCS. The priority deadline for submitting applications is February 15, 2023. Applicants who apply after February 15 are encouraged to complete the form when submitting an application.
