#### HOW WE RUN OUR LOVE AND LOGIC BASE PROGRAM

- \*Our staff will treat your child with respect so they will know how to treat us.
- \* Children are free to do anything that does not cause a problem for anyone else.
- \* If a child causes a problem, we will ask them to solve it.
- \* If they cannot solve the problem, or choose not to, we will do something.
- \* What we do will depend on the special person and the special situation.
- \* If they feel something is unfair, we ask them to let us know and we will talk.
