ADMISSION AND ENROLLMENT

Admission into PVSchools Community Education childcare programs is on a space-available basis. A completed registration packet, including a current copy of your child's immunization records, is required to enroll in our childcare programs. Registration for childcare programs is completed online. The PVSchools Community Education offices are located at 15032 N. 32nd St., Phoenix, AZ 85032. Summer office hours are 8:00 a.m. - 4:30 p.m., Monday through Thursday. **Registration is available until space has been sold out but must be completed by the end of the business day the Wednesday prior in order to begin attendance for the following week.**

SIGN IN / SIGN OUT PROCEDURES

Arizona Department of Health Services regulations state that only parents and previously authorized parties can sign a child in or out of the program each day on the designated sign in/sign out sheet. Photo identification will be required at all times in order to sign a child out of the program.

Emergency cards must be updated regularly to ensure they remain current. Adding or deleting contacts on the Emergency Information Card requires written notification, signed and dated by the parent.

BEHAVIOR GUIDELINES

Social growth is crucial during the early years of every child's life. Developmentally appropriate guidelines are in place in PVSchools Community Education programs to maintain the physical and emotional well-being of each child, and to teach social skills. Positive disciplinary guidelines are used to enforce these skills. Parents and staff are viewed as partners in guiding each child's development. Effective partners support one another for the benefit of the child. Parents are kept informed of problems as they arise. In the event of possible suspension or consideration of removal, due process procedures will be followed. If program staff determines that a child is presenting a danger to his or herself or other children, the program may withdraw the child immediately.

Parents are expected to support staff decisions about their child's behavioral consequences. It is essential that children understand that parents and staff agree on standards of behavior. In cases where there is disagreement, discussion and communication will take place without the child being present. When parents have a concern about the program, the expectation is that it will be discussed with childcare staff.

INCLUSIVE PROGRAMMING

PVSchools Community Education Childcare Programs focus on the child. Children must be able to function in a group setting to be included in the childcare program. Parents and staff collaborate to provide each child the special benefits of participation.

PARENTAL RESPONSIBILITIES

For the safety of your child, it is the parent's responsibility to keep enrollment records current. Please notify both Community Education **AND** the summer camp office of any changes in home address, phone, business phone, and authorized emergency contacts.

IN CASES OF ABSENCE FROM THE PROGRAM, PLEASE NOTIFY CHILDCARE STAFF AT CAMP - (602) 449-2200.

KEEPING YOU INFORMED/PERSONAL PROPERTY

Our programs provide a variety of toys and games for children.

A reusable water bottle and lunch container should be the only items sent to camp. Please make sure your child's name is on these items.

Parents are encouraged to keep informed about the program and its operations by regularly checking the "Parent Board" at camp and by reading the email blasts sent by the Camp Manager. These will provide you with information on schedules and special events during the week. Parents will be notified at least 48 hours prior to any pesticide application. A written notice will be posted on the summer camp entrance door and the Parent Board in the program area.

FOOD AND SNACKS

It is the responsibility of the parent to supply "1-2-3": 1 lunch, 2 snacks, and 3 drinks.

DRESS CODE

Children should dress comfortably, be prepared for the heat, and protected from the sun. All children are responsible for the care of their own clothing. Please be sure that all belongings are labeled with the child's name.

TENNIS SHOES AND SANDALS WITH A HEEL STRAP ARE THE ONLY ACCEPTABLE FOOTWEAR. No heels.

This will allow your child to participate at all times. If your child is prone to having bathroom accidents, please provide a labeled change of clothes.

TRANSPORTATION AND FIELD TRIPS

Transportation to and from the program is the responsibility of the parent. District-owned or approved transportation is used for field trips only. Written permission from a parent is required for each child to participate in field trips organized for school-age programs. Written permission must be received prior to departure. For scheduled field trips, all staff and children will be off school grounds. **If you do not want your child to participate in a field trip, please arrange alternate childcare for that day.** If you arrive at the site after the stated departure time, you will be expected to provide alternate care for your child. If a child is not able to behave in a safe manner on a field trip, parents may be called to pick up their child as all staff will attend the field trip. Future attendance on field trips will be evaluated by the childcare staff.

ILLNESS, EMERGENCIES, AND MEDICATIONS

1. Children who are ill (i.e., runny nose, continuous cough, red throat, fever, unexplained rash, swollen glands, head or stomach aches), will not be accepted into the program for the day.
2. When a child becomes ill or seriously injured at the program, the child will be removed from the group. The parent will be notified promptly and will be expected to pick up their child from the program immediately.
3. In the case of an emergency, as determined by childcare staff, paramedics will be called and the parent will be notified immediately. Parents will be responsible for all costs incurred in such emergencies.
4. Only physician-prescribed medication, in the original prescription container, will be administered at the program. The container must be labeled by the pharmacist, to include the name of the child, date, dosage, name of medication, method of administration, and number of doses contained. Non-prescription medication must meet the same guidelines.
5. EpiPens. The full prescription, two pens, must be supplied to the program and follow the guidelines above. Partial prescriptions, such as a single EpiPen, cannot be accepted. It is not allowed to have one pen in the program and one in the nurse's office. This constitutes a partial prescription which cannot be accepted.
6. A consent form for the administration of medication must be completed by the parent and be on file at the site.
7. It is the parent's responsibility to transport medication to and from the program.
