

**LORAIN B. ROSS---SCHOLARSHIP APPLICATION**

I am applying for the \$600.00 scholarship that First Choice Credit Union is granting for a member or members child. I realize that the scholarship will be paid as \$300.00 for my 1<sup>st</sup> year and \$300.00 for my 2<sup>nd</sup> year as long as I maintain a 2.5 grade point on a 4.0 system. To be eligible I must be attending full time at a 2 or 4 year college or university or a 2-year technical school. If a student is half time or less the scholarship is reduced to \$150.00 for that year. I realize that my parents or I must be members of First Choice Credit Union to be eligible for this scholarship.

**THIS SCHOLARSHIP IS FOR STUDENTS GRADUATING FROM HIGH SCHOOL IN SPRING OF 2023.**
