

Waunakee Middle School Orchestra

Mr. Cornelio-October 2022

The year is off to a great start with students working through part of the concert pieces for the January 26th Concert. As I tell the students repeatedly during class, it is important to take instruments home to practice. I encourage students to practice at least 10 minutes a day, three days a week. Because string instruments are so dependent on muscle memory, it is strongly recommended that students are also practicing outside of school hours. I am looking forward to the continuation of music-making at Waunakee Middle School!

Faculty Cabaret

We are holding our first ever Faculty Cabaret on Monday, October 17, in the HS Cafe from 6:30-8pm. It will feature music by our Waunakee music faculty. The following local music supporters will have informational booths set up; Music Boosters, Create Waunakee, Friends of the Waunakee Performing Arts, and Trending Now. Everyone is invited to mingle, listen, and visit the booths.

Solo & Ensemble

Solo and Ensemble is a wonderful opportunity for students to prepare a solo or duet and perform at the district festival on March 4, 2023. Students work with a string coach once per week through the months of January and February. More information to come later into the fall semester.
