

Long Beach Unified School District **Alternative Dispute Resolution**

Creating a Better Future Together

Why try Alternative Dispute Resolution (ADR)?

ADR options utilize neutral panel members who guide the team through specific strategies to yield creative, legally compliant, and collaborative solutions. ADR encourages all team members to share their perspectives and have input in the decision-making process. Through the ADR process, parents and district personnel learn to communicate openly and heal damaged relationships while crafting stronger plans for students

What processes are used in ADR?

1. Collaborative Conferences
2. Confidentiality
3. Equity & Inclusive Lens

ADR Outcomes

- Amendments to the IEP
- Confident settlement agreements
- Signed IEPs and trust built
- Improved/mended relationships
- Long-term partnerships
