

We are hiring Summer Camp Counselors!

Summer Tinkering at Mark Day School is looking for Summer Camp Counselors to support and collaborate with campers ages 7 to 13. Each week we unveil a new theme and build something amazing over the course of that week, with a big unveil for family and friends on Friday. Working with students and seasoned teachers in this student-centered format is a sure way to deepen your teaching skills. Our collaboration with Gever Tulley and the internationally recognized team at Tinkering School means you'll be well grounded in the philosophies and practices underpinning what we do... and you'll be well trained in the use of tools with kids!

Required Qualifications

- Prior experience working with children in a school, after school program, or summer camp environment as a camp counselor, tutor or teacher's aide and/or paraprofessional.

Check us out

- Tinkering Camp runs five weeks, starting June 19th and ending July 21st.
- www.tinkeringschool.com/summer-day-camp-san-rafael
- www.markdayschool.org
- Compensation \$22 to \$27 per hour.

To Apply
