

Questions and Answers RFP No. 023-077-03

1. Question :

Page 7, Section E & F - What is priority? Larger size trash bins (6-7 yards) that will not have casters be converted to smaller sizes with casters and same service capability? Or should we bid larger bins without casters? Should we provide two versions of pricing, one for each option with the bid?

A. Answer:

All trash bins are to be equipped with proper four (4) swivel ball-bearing casters unless the District requests that the bins be on skids. Please provide pricing for each option.

2. Question:

Page 7, Section F - Terms and Conditions of Proposal notes that Trash bins need a lock bar, 4 swivel ball-bearing and casters. Are these required for just trash or also recycling and organics bins?

Answer:

All bins are to be equipped with proper four (4) swivel ball-bearing casters unless the District requests that the bins be on skids. All bins are to be equipped with a locking bar.

3. Question:

Page 7, Section F - "All bins must be of a height that they work in conjunction with the Districts trash lifting guidelines." What are AUSDs trash lifting guidelines as listed in RFP?

Answer:

There are no current guidelines at AUSD, please use the OSHA recommended guidelines.

4. Question:

Page 7, Section H - Will AUSD be represented by a broker? If not, what will be the standard form of communication between the School District and the Hauler?

Answer:

The District will not utilize the services of a broker. Winning bidder will work directly with the District.

5. Question:

Attachment C1, Page 19 - RFP is currently reducing capacity by 57 Yards per week (MSW 30.7 Yards, Recycling 17.8 Yards, Organics 8.7 Yards). I wanted to ensure that this reduction is intentional. For example, Encinal High reducing their 7 yard MSW from 3X per week to 1X per week. Reduction in 14 yards.

Answer:

Please refer to the updated Solid Waste Disposal Schedule on page 4 & 5 of this Addendum.

6. Question:

Attachment C1, Page 19 - Can Alameda Unified School District provide an excel copy of the pricing sheet (pages 19-21) with 2023-2024 date ranges?

Answer:

AUSD fiscal year starts July 1 to June 30. Please see Addendum No. 2 for excel sheets.

Corrections and clarifications to RFP No. 023-077-03:

1. Section **A. SOLID WASTE, ORGANIC WASTE, AND MIXED RECYCLE SERVICE SCHEDULE:**

Page 5:

a. Line 3:
