To choose your courses, review your 4-year plan, transcript, and the Course Catalog course description at www.orangeusd.org. Students who do not choose courses during the specified time will have their courses selected by their counselor. **Per Ed Code 46145, Sophomores MUST have a minimum of 6 classes.**

AP/Honors Request: Students and parents need to understand that Honors courses are rigorous and may meet certain college requirements. As a condition of enrollment the student is required to remain in the class for the entire year. Dropping at the semester is only allowed if there is room in the new course.

We understand that every effort will be made to give students the courses they have selected unless the courses are unavailable or prerequisites have not been met. **Please note that D grades are not recognized by the UC/Cal State Systems.** If a student would like to change his/her course selection, he/she must come to summer registration in August. These changes will be allowed only if there is room in the new course requested. Schedule changes will not be made once the new school year begins. Both signatures are required for course requests to be processed.
